## TIME TO CLEAN UP

The Village Board set "Clean Up Week" for the week of May 7th through the 14th. This will allow residents two weekends in which to participate. Curb service will be provided daily before 8 a.m.

Mayor Toft answers Mr. Elmer Kufalk's questions about the sanitary sewer expansion at last Monday night's Village Board Meeting. (Staff Photo)

The Village Board meeting on Monday, April 23rd, marked the end of the fiscal year for the Village and the end of Mayor Ray Toft's 8 year reign. The meeting was a continuation of the regular meeting of April 16th, and was designed to wrap up any of the year's unfinished business. The new Mayor, Robert Wilton, will begin his term at the next Village Board meeting scheduled to take place on May 7.

Things did not go all that smoothly at this last meeting. During the first hour of the meeting there was a good deal of confusion concerning the Sanitary Sewer system for Main Street. Mr. Elmer Kufalk, of 1211 Main Street, challenged the

Board on the way the cost of the line was determined and on the need for the size that had been proposed.

Ken Mazzuca, who is the developer of the Sequoit Apartments was present as was Mrs. Thayer. Both are involved with the expansion in that area. Norm Rockow, was the only involved party not present, however, he sent a letter to the Board explaining that he did not intend to enter his letter of credit.

Kufalk charged that he was being asked to pay for a larger sewer line than he felt was needed. He said the line was designed to serve 350 units and only 60 units were possible.

Village Engineer, Frank

Angelotti, explained this was the smallest type of line possible to install and that it was only 8" wide and not 15" as Kufalk mentioned.

Kufalk was asked if he didn't think it would improve his property, and he responded,

"Definitely not, my lot is only 70' x 465' long and you can't put anything on it. You figure it out."

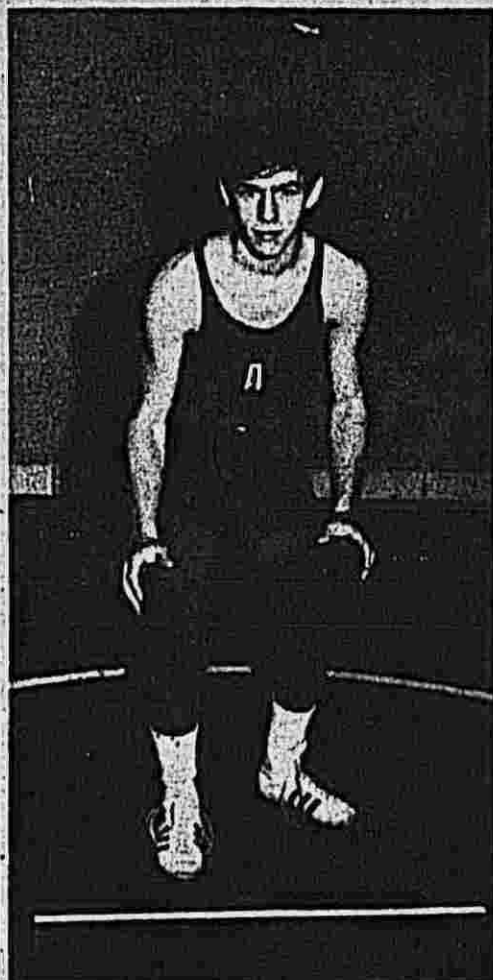

The Board then figured it out and Mayor Toft informed Kufalk he could put at least 16 units on that property. Kufalk then said, "I'm telling you that you can't."

Mayor Toft said, "Take my word for it, you can." And

## Keith Larsen takes honors in National Invitational Greco-Roman Tournament

Keith Larsen, Antioch Senior, wrestling at 132 lbs. captured the Junior Division (High

KEITH LARSEN

School Age) division in impressive style. On his way to the championship, Keith pinned three opponents in the first period and decisioned a fourth by an 8-0 score. His record of three pins in a total time of 2 minutes and 37 seconds, won the trophy for the most pins. His performance so impressed the tournament officials that he was also voted the award as the "Outstanding Wrestler".

His High School coach Ted DeRousse, who attended the meet as an official for the Mayor Daley Wrestling Club, called Keith's accomplishment a rarity. "It is very unusual for one wrestler to win both awards in a major tournament but Larsen's performance deserved it."

Also competing in the tournament was Scott Shaffer an Antioch Sophomore who earned a fourth place medal at 123lbs. for his efforts.

If you missed the Easter Bunny this weekend, drive past 576 North Main, where Mrs. Ed Vos has continued a family tradition of hanging Easter eggs from a huge magnolia tree. (Staff Photo)

## 3 FATAL ACCIDENTS STRIKE ANTIOCH

The Easter weekend in Antioch, while filled with chocolate eggs and Easter Lily's was to pass quickly leaving many area residents in sorrow. Three young Antioch residents were killed in separate fatal accidents. A fire struck the Antioch Welding Company, and 1 1/4" of rain fell on Saturday causing some flooding.

Antioch experienced it's first fatal accident occurring within the Village limits in years. The accident, which involved two cars, happened at 1060 Main Street at 1:22 a.m. on Saturday.

John V. Moser, 22, of Route 1 in Antioch received fatal injuries in the crash. He was pronounced dead at the scene of the accident by Dr. J. Lorang, who assisted the Antioch Rescue Squad. On Monday, County Coroner, Oscar Lind, stated Moser died after receiving fractures of the skull and a broken neck.

William J. Henry, of Route 2 Antioch, and his passenger, Lenore Pallenik, of Route 3 Antioch, were also injured in

the accident and were taken to Victory Memorial Hospital by the Rescue Squad.

Mr. Henry stated that he was southbound on Route 83 and it appeared to him that a northbound vehicle was going to pass a vehicle. But there was no vehicle there to pass. He said that Moser's car came over in the southbound lane and hit him head on.

Officer Hannum, Officer Revell, and Officer Mason, along with Police Chief Jack Wells were at the scene of the accident.

The second accident occurred on Grass Lake Road at 10:15 p.m. on Saturday, April 21st. Larry G. Shaffer, 20, of Antioch was killed as his car struck a tree opposite the Grass Lake Cemetery. He apparently lost control of his car.

He was pronounced dead on arrival at St. Therese Hospital by Dr. Closs. A jury was sworn in at the Barr Funeral Home to determine the cause and manner of death.

A third accident occurred at 2:30 p.m. Easter Sunday.

Daniel J. Farrigan, 19, of 428 Helendale Road, Ingleside, was killed in a hit and run accident when his bicycle was struck by a car. The accident took place on Route 83, four miles north of Grass Lake Road.

Farrigan was pronounced dead on arrival at 4:30 p.m. Deputies were later able to apprehend the runaway vehicle.

A lesser casualty happened on Friday at the Antioch Welding Company at 344 Park Avenue, when a fire broke out. The fire occurred at 5:44 p.m. as David Abel repaired a gasoline tank. Fumer had spread to the pilot light and exploded. Abel received burns on the arms and was taken to the Antioch Clinic by the Rescue Squad. The fire also did about \$200 worth of damage to the building.

Although Antioch was not to witness any tornadoes, as other parts of Illinois, they did receive 1 1/4" of rain. Some roads were flooded and Tod Mapletorpe, Superintendent of Public Works, received some calls concerning flooding waters.

Everyone stood as Mayor-Elect Robert Wilton presented out-going Mayor, Ray Toft, with a plaque expressing thanks from the Board and Village for the many services that he has rendered during his 8 years in office. The plaque was presented at the conclusion of the Village Board meeting on Monday, April 3. (Staff Photo)

### CONTAMINATED WATER WELLS

The recent rain and resulting flood conditions may have contaminated private wells. Contamination usually occurs when flood waters reach the top of the well casing and pass down into the water stratum through defective well casing seals. Wells located in pits are especially susceptible because the top of the well casing may be submerged even though the ground surface is not flooded.

Wells that have been flooded, either in pits or on the surface, should be presumed to be polluted unless bacteriological testing shows otherwise. Polluted wells should be provided with new seals and be disinfected before water from them is used.

If anyone has any questions they may call Dr. Jack I. Smith at the Lake County Health Department at 244-0550. Next week we will print recommendations for minimizing health hazards from polluted wells.

## EDITORIAL SOMETHING FOR NOTHING

As time goes on and on, it is amazing that the continuously cycling human race has never realized that the doctrine of "something for nothing" is practically and virtually non-existent. Yet, many travel through their entire lives searching for that certain something for nothing. When that certain something, which so often is seen in the form of money, is not readily found, an unvirtuous situation is created.

Everyone has witnessed such situations and maybe has even participated in them. For example, landlords cling tightly to security deposits when apartments are left in good condition. Students after receiving their education try to renig on student grants and move from place to place, leaving no forwarding address. People receive medical treatment, and then refuse to pay their bills, using the excuse they are not satisfied with the completed work.

Scores of people are collecting unmerited welfare checks each month. Some chose to sit back and let the government pay their way, rather to make the effort to expend some of their own energy.

Granted the cost of living continues to rise, and most everyone is looking for some sort of bargain. But this bargain should not be found at the expense of others. If "do unto others as you would want done unto you" sounds corny to you, well maybe you are too far gone.

What really can be done about this situation? It is hard to give an encompassing answer, as freeloaders, dead wood, and out-and-out crooks have taken an active part in our societies since the beginning of time. About the best thing that can be done is to make an effort not to join the ranks of this group. Don't be swallowed up by that easy and nonchalant heading... "well, everybody is doing it." Set an example on your own and just maybe it will be followed... Instead of looking for something for nothing... try to make nothing into something.

CONGRESSMAN MC CLORY  
CHALLENGES GREAT  
LAKES CLOSINGS

Congressman Robert McClory has requested the Department of Defense to justify its decisions to close the Naval Electronic Supply Office and the Naval Examining Center - both located at the Great Lakes Naval Training Center in his Congressional District.

The Illinois Congressman declared: "The plan to phase out the ESO office at Great Lakes - and to consolidate that operation with the Navy Parts Center at Mechanicsburg, Pennsylvania - was advanced and rejected more than ten years ago. The move was found to be unwise at that time - and I am not aware of the circumstances which have persuaded the DOD now to favor a consolidation of the ESO in Pennsylvania."

Congressman McClory noted that of the 730 civilian jobs to be eliminated at the ESO some 540 new positions would open at Mechanicsburg. Only a total of 190 jobs are to be eliminated. Referring to this point, McClory declared: "It looks to me as though the main operations of the ESO are to be continued in a far off community requiring the uprooting of career employees and their families. This should be prevented unless substantial savings are to be effected."

The 90 jobs at the Naval Examining Center will all be transferred to the new facilities established for this purpose at the Naval base in Pensacola, Florida which are far superior to the relatively temporary facilities at Great Lakes.

Congressman McClory has called for meetings in Washington and at Great Lakes where representatives of the Department of Defense, Navy Personnel and employee representatives may discuss the proposed changes at Great Lakes.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

### A SINCERE THANKS TO ALL OUR ANTIOCH FRIENDS

Thank you for the confidence you bestowed upon us by supporting our party, April 17. It's gratifying to know that the majority of Antioch citizens agree with our approach to the fulfillment of the future needs of the village.

Your support is our endorsement to carry out our responsibilities to the best of our ability. Rest assured we are sincere in our efforts to achieve those goals needed for future growth and development. It's important to all of us.

Antioch is on the threshold of change - and like most other villages in the same position we must prepare ourselves for those changes.

We feel that all citizens working together will provide the healthy climate needed to meet the challenges of tomorrow. And we pledge our energy, knowledge and support to only those programs that will build a stronger Antioch.

Thank you for your confidence - thank you for your endorsement and thank you for allowing us to serve your needs for the next four years.

Robert C. Wilton

#### Editor:

I had two men from my church at my home last night. One visiting from Utah commented that he thought that the people around this area are very cold and unfriendly. Since Easter time is here, and it is a time for joy and good will, I think it matters what one "outsider" has to say about our community. I think that everyone should take a good look at themselves and try to be a little friendlier to our neighbors and friends. I smiled at a man I didn't know the other day, and he just pretended he didn't see me. (The reason I smiled was because I was in a good mood). This happened to me again with a woman I DID know. Why is it so hard for people who live next to each other part of their lives to go over and visit? It may make that other person's day, especially if they are new to the area or their husband is working during the day, and they are lonely for companionship. One of my Easter resolutions is to start practicing what I preach. I hope you don't intend to just read this letter and not do anything about it. Go out and make someone's life a little brighter today.

Gigi Spittle

#### Dear Sir:

I have been following with great interest the flap generated by a subcommittee of the Priorities Committee of the Lake County Board. It has suggested that six County offices (those of Lake County Clerk, Treasurer, Sheriff, Coroner, Recorder and Auditor) should be appointed by the County Board rather than elected.

Certainly there is much to recommend the idea. The ballot would be shorter. It would be possible to demand qualifications for each job. And those jobs which have no policy-making powers to speak of could be filled on the basis of education and prior training only. hat would have to be an improvement!!

However--great as the idea would be--I have a better one. How about if the eight elected County officers (those listed above plus the Circuit Court Clerk and the State's Attorney) were to meet in solemn convocation once every two years and appoint the members of the County Board?

Anyone for a referendum?

Yours,

Grace Mary Stern

### POSTAL OPEN HOUSE

The Antioch Post Office will be holding an Open House on Tuesday, May 1 in observance of Postal Week. (April 30-May 5)

The Post Office will be serving coffee, and anyone interested may take a tour "behind the scenes". Open House will be held from 9 a.m. to 5 p.m.

# SOLD TO THE MAN WITH THE HAT

Going once, going twice...sold to the man with the hat...These words or similar ones have probably been resounded over and over again throughout the United States at millions of country-side and city auctions. The auctioneer profession is one of the oldest professions in the world. Even the medicine man used it to distribute his goods.

There are now three auctioneer schools in the United States that turn out hundreds of graduates each year. If you would travel in a 20 mile radius from Antioch, you could most likely find at least 20 certified auctioneers. The auctioneer himself is not a scarce commodity, but the auctioneer that makes his entire living from his trade is. Herman Behm of Antioch is one of these exceptions.

Behm has been in the auction business for 25 years now and he has been by all measures, successful. He has travelled all over the United States and Canada and auctioned off everything from steamships to airplanes.

He began his career with farm auctions and has now branched off and specializes strictly in heavy construction auctions, accepting only those whose merchandise totals \$100,000 or more. On an average Herman auctions off \$1 million worth of merchandise each week, totaling about \$50 million a year.

"The Auction business is a business of action and I like action" commented Mr. Behm. "It is very intriguing and there is a lot of excitement."

Born and raised on a farm in Grayslake, Behm decided to go off in his own direction. He had only gone to one auction before entering Auctioneer's school, but he just knew that that was the business for him. In 1948 at the age of 28 he graduated from the Reisch Auction School in Mason City Iowa and his career as an auctioneer began a few weeks later.

Behm said, "In the beginning

Herman Behm is not only an auctioneer, but rather a shrewd businessman, who auctions off approximately \$50 million of merchandise each year. (Staff Photo)

you can't help but be nervous as all the old timers stand around and wait for you to swallow your tongue. But now nothing bothers me, why I wouldn't be surprised to see the devil himself in the crowd."

Starting with something he knew, Herman worked many a farm auction in the beginning. He commented that one of the most important things in the business is to know the value of the merchandise.

"You can't begin in the auction business at too early an age. After a man has taken his whole life to accumulate the merchandise to be auctioned he wants somebody with experience. And if you are a young kid, you won't look very experienced."

One of the first questions that you are asked is "How much money will you be able to bring me?" And your estimate had better be within 10 percent of what you pull in or you better forget about doing another auction in that area," Behm said.

He also commented that on each item he attaches a value, and the value corresponds with the actual worth of the item. He then begins the bidding at that

price. Sometimes he said, someone in the crowd will laugh right out loud at the price, but before the bidding is over the object often goes over that first point. When it does Behm said, he always searches out the laughter, who has almost always lost himself purposely in the crowd.

Although Behm has spotters that help him watch for bidders, you must have a quick eye to be successful.

"Everyone has their own little trick when it comes to bidding," Behm remarked, "Some will scratch their head, wink an eye, or flip their thumb. Every once in a while we will mistake someone waving to a friend as a bid, but not very often."

Behm, who owned the Antioch Auction Barn from 1952-1970, said it was a good starting point. He has now chosen to specialize in heavy construction auctions, because "That is where the big money is."

He said, "Say you do an Antique Auction and you spend all day at work and bring in about \$5,000 in total sales. Well, in the same amount of time you can bring in \$1 million worth of sales in heavy construction."

His voice cries out at about three auctions per week. He says he enjoys the auctions themselves, but is not really crazy about the travel. Traveling mostly by plane, he said first he hurries and rushes and then he waits and that process happens over and over again.

Ten men make up the auction crew that travels with Behm. They book the auctions and make all of the necessary arrangements. An average crowd at a construction auction totals from 600 to 1200 people. These buyers come from all over the world, they are not just casual spectators, but have travelled to the auction as potential buyers.

"An auction is like a race track," Behm said, "you have to keep it moving. The auction must be kept rolling smoothly and the audience must be kept keyed-up. Once an auction begins to slow, then the bids and prices will drop."

Herman averages an item a minute, and commented that 300 items can be moved in five hours whether they total \$1,000 in value or \$1 million.

Behm and his wife Edna have lived in Antioch for the past 14 years. They have 2 children and three grandchildren.

Herman Behm looks over the wares to be auctioned off at the Rosing Farm Auction in Round Lake last Saturday. Despite the steadily falling rains, a large crowd gathered and all of the items were sold. Behm, who now specializes in heavy construction auctions, conducted his first farm auctions in years, on behalf of Rosing, who has been a life time friend. (Photo by David Kauss)

## LEISURE VILLAGE GRAND OPENING ANNOUNCED

Leisure Technology-Midwest, Inc. - Richard J. Brown, Inc. has announced the April 27-29, 1973 grand opening of Leisure Village, a major planned condominium community for retirement living, near Fox Lake, Illinois. The first, large-scale development of its type in the Midwest area, Leisure Village is a 250-acre community designed to appeal to retired families, 52 years of age and older, who desire to remain in the Chicago area near friends, relatives and a familiar environment. The community eventually will accommodate some 1,700 families in spacious, ranch-style homes.

Leisure Village is located immediately northeast of Fox Lake. Entrance is on Grass Lake Road, one-quarter mile east of State Park Road, accessible from U.S. Route 12.

The Milwaukee Road commuter train in Fox Lake offers regular service to and from Chicago. Five model homes with designer-decorated interiors by Rita Brown are open Sunday through Friday, from 10 a.m. to 6 p.m. and Saturday from 10 a.m. to 5 p.m.

### DRAPERY CLEANING PIGMENT PRINTS

Some of the more beautifully colored drapery are pigment or screen printed. This is a process by which the print is applied to the surface of the fabric by means of a "binder", almost like painting it on. Because it does not penetrate, it resists sun fading, which is a positive aspect. However, it has a negative aspect also in that washing or cleaning removes up to 15 percent of that color. Since these are such attractive fabrics it's foolish to advise you not to purchase them, however, you should be aware of what to expect. Inquire from the store your dealing with, if the fabric is a pigment print or if the dye is color fast and how they recommend it be cleaned and what to expect from color loss. Also, I recommend that if you have a set of drapery and spread, clean them together so that they still match after the cleaning process.

This house at the South end of Channel Lake illustrates the higher water levels this week due to heavy rains and broken dams on the Fox River. (Staff Photo)

When water levels in the lakes rise, the many side channels also overflow their banks. On Witt Road off of Linden Lane near Channel Lake, youngsters had to find alternate means for playing in the street. Residents said this was the highest they could remember the water being. (Staff Photo)

## a word about the weather

Rob Robinson, who is the area weatherman, and who records the daily weather has given us the following information concerning the weather in our area.

According to Robinson, the weather we are experiencing this spring is a good 10 degrees warmer than last years. For example, over the Easter weekend this year the temperature highs were recorded as 64 degrees, 74 degrees and 65 degrees, respectively. While last year during the same period the temperatures were as follows: 54 degrees, 41 degrees and 43 degrees.

The Lake temperature is also warmer, this year the temperature has averaged around 53 degrees, while last year's reading registered 46 degrees.

Although the weather is warmer, it is also much wetter. 10.4" of precipitation has already been measured this year. (Jan. 1.20, Feb. 2.31, March 4.88). In April from the 1st to the 23rd, 5.16" of participation has been recorded with seven more days to go. Last year during the entire month of April only 4.85" of rain was measured. Over last weekend alone 1.97" of rain fell.

**If you don't know

## The Time Machine

70 YEARS AGO, APRIL 23, 1903

For Sale—A quantity of cider by the barrel, C.R. Thorn.  
For Sale—Early and Late Potatoes, Lewis Savage, Antioch.  
W.S. Rinear was defeated as E.L. Simons headed a petition ticket for village president. Rinear went down to defeat by a small margin of 3 votes.

50 YEARS AGO, APRIL 26, 1923

Basketball and football boys were given letters for their work in athletics. Charles Stearn was elected captain of the 1923 football team. Albert Tiffany was elected captain for 1923-24 Basketball team.

The Thimble Bee will meet at the home of Mrs. Rhymer on Spafford Street. All invited.

20 YEARS AGO, APRIL 23, 1953

Dr. Richard Carlucci will open his office for the practice of dentistry May 1st at 986 South Main Street in Antioch.

Mr. and Mrs. Walter Selter entertained 100 guests at an open house April 18 at their Grass Lake home; the occasion being their 40th wedding anniversary.

10 YEARS AGO, APRIL 26, 1963

Jim McMillen, Superintendent of State Parks, was presented with an Honorary Membership in the Illinois Historical Society. The membership was presented to him by Ralph Neuman, Lincoln scholar and proprietor of the Lincoln Book Store in Chicago.

Mr. and Mrs. B.J. Hooper of Lake Villa celebrated their golden anniversary on April 12, with a family dinner given by their daughter.

### DEMOCRATIC WOMEN PLAN SPRING MEMBERSHIP DRIVE

The April meeting of the Lake County Democratic Women's Club will take place on Wednesday evening, April 25th, at 8:00 p.m. at the Collins-Karcher Hotel on Washington and Utica Streets in Waukegan. President of the club, Ms.

Robin Seidenberg, urges all present members to attend this important meeting so that plans can be formulated for the membership meeting to be held in May.

Members are also reminded that the annual \$5.00 dues are due now.

### DIANA DEGRADO GETS TO KEEP THE EASTER BUNNY

The Easter drawing at the First National Bank, on April 21st was a happy event. Bank President LaVerne Woods, drew Diana DeGrado as the lucky winner of the Easter bunny. She is eight years old and lives at Route 5, Antioch. Diana and her mother were all smiles as they entered the Bank to pick up the bunny, which by the way was much bigger than Diana.

Winners of the silver dollar eggs were Jennifer Harris, Billy Larsen, Christopher Woods, Kim Frenchick, Scotty Horton, Charles Lehmann, Sue Gillman, Timmy Le Monier, Karla Herbst, and Brenda Volling.

Mr. LaVerne Woods, president of the First National Bank, presents Diana DeGrado with a large Easter Bunny. Diana was the lucky winner in the Easter drawing at the First National Bank on Saturday.

# CHANGING OF THE GUARD

After a many year stand, Mr. Bill Brook, along with Mr. William Petty, retired from the High School Board last Wednesday night. After the canvassing of the votes was completed and accepted, Mr. Brook declared Charles Forster and Frank C. Johnson as being elected to the High School Board.

Board member, Bob Lindblad, presented Mr. Petty and Mr. Brook with a plaque in appreciation for the services they had rendered throughout the years.

Mr. Petty has been a Board member for the past 6 years and has been with the Board through financial plights and referendums, both passed and unpassed. He has cited facing the financial problems of the school as the toughest aspect a board member must face.

When Mr. Lindblad presented Mr. Brook with his award, he said, "Mr. Brook, there just aren't enough words we can use to thank you for all of the thousands of students you have helped throughout your 15 years of service."

Speaking briefly before his departure, Brook commented: "At the present time things are in pretty good order and things are looking good for the high school. It is not easy to leave tonight after 15 years, at least not as easy as you would think. It has really been an experience, it has been interesting even through all of the bad times. We have all learned a lot and we all seemed to be able to pull together no matter how tough things got. I don't think any of us will ever forget that 4:00 a.m. meeting."

Both men shook hands with the remaining Board members and as Mr. Brook left, he patted the back of his chair saying, "O.K. here's a seat for somebody."

## LINDBLAD NEW PRESIDENT

Within the next 10 minutes the seat was filled by the new Board President, Bob Lindblad. Betty Meyer was elected to serve as secretary.

The new Board members were seated after being sworn in by School Attorney, Ted C. Larson.

## A NEW DATE

The first point of business was to set a time and place for the regular monthly meeting. After some discussion, the 4th Thursday of every month was selected. The time and place were not changed, however, and will remain at the High School at 7:30 p.m.

Before retiring to an executive session, the Board passed approval on the Board Policy Manual, the Curriculum Guide Student Handbook, and the Staff manuals.

At 8:00 p.m. the Board began discipline case hearings that were not completed until 10:30 p.m. Business was resumed and approval was given to the Babe Ruth League to use the baseball diamonds this summer.

## SALARY ANNOUNCEMENT

It was announced the salary negotiations were completed and that a salary schedule was set up. The teachers will receive \$7,700 beginning with a B.A. degree to \$8,000. The new salary schedule amounted to only a few minor changes. In fact, it amounted to only a \$70 increase on the top of the schedule.

It was also agreed the teachers will now be allowed 2 days of emergency personal leave. This will be part of the allotted 15 sick days

## GRADUATING SENIORS

Mr. Kurek reported to the Board that 293 Seniors are eligible for graduation this year. This is the largest class in the history of the school. Last year 253 students graduated and the year before 235 students graduated.

## AUDITORS SELECTED

The firm of Rose, Cristenson, and Cain were selected to perform the 1972-73 audit. They are the same firm that handled the audit last year.

## ANTI-TRUST SUIT

It was announced that the final payment of the total of \$590 was received by the High School as a result of the Children's Books Anti-Trust Proceedings. Antioch joined the successful class action suit, which involved the price-fixing of text books.

The meeting adjourned at 12:30 a.m., turning out to be a lengthy initiation for the two new Board members.

## SCHOOL BOARD'S DINNER DATE SET

The Annual Elementary and High School Board and Administrative Dinner has been set for Wednesday, May 2, at 7:00 p.m. The dinner will be held in the High School Cafeteria and both elementary and High School Boards are invited to attend along with their administrators.

Robert Lindblad, newly elected president of the High School Board, presents outgoing president, Mr. William Brook, with an award at last Wednesday's High School Board meeting.

Robert Lindblad presents William Petty, a member of the High School Board for the past six years, with a plaque expressing the Board's gratitude for all his work. (Staff Photo)

## Along the Way with *Annie Mae*

Hope the Easter Bunny stopped by your house and you all had a fine day with loved ones.

The weekend proved tragic for some families in the Antioch area. Our sympathy to the families of John Moser and Larry Shaffer.

Summer is just around the corner when the Jim Harvey family travels up to Northern Wisconsin to their trailer near Hayward. The Dr. Ed. Warners' also took their trailer for the first time this season - hoping to do lots of fishing.

Bernie Gutowski is very excited too - he sold his trailer and bought a boat. This family's hobby is scuba diving, and soon as the weather gets warmer they're off!!!

Be sure to get your Cotillion tickets soon. As usual - it proves to be a fabulous evening and at the same time the contribution is worthwhile.

Happiness is seeing "Your a Good Man, Charlie Brown" - PM&L Theatre's spring production. Opening weekend is April 27 and 28. Call now for reservations - 395-9702.

Joan and George Vistain and Nancy and Forrest Stahmer celebrate anniversaries on April 25. Happy Anniversary wishes go to Dick and Ellen Kessler on the 26th; and Vic and Margaret Sisson celebrate their 40 years of wedded bliss with a party on the 29th of April. Lynette and Ron Bratzke begin with May 1 being their

special day. This year they celebrate with their new baby daughter. Congrats to all!!!! Special anniversary wishes go to Lee and Maria Collins who celebrate number two on April 29th.

Get well wishes go to Vi from Vi's Yellowbird. Seems she cut her arm on some glass and is in quite a bit of pain. Also Fay Kelsey just returned from a hospital stay. Hope you are feeling much better. Bob Bemis had surgery last week and I'll bet he is glad its this week already! But each day gets better Bob.

Birthday wishes go to Ester Velcheck on April 25. Patti Lea Jahneke gets a birthday kiss on the 26th as does Jennifer Stahmer. And Joseph Jenkins celebrates birthday number one on April 27. Birthday wishes go to Bud Howard on the 28th, Marie Wells on the 29th and Walter Forbrick and Marla Kessler on the 30th. May starts off with Marilyn Roth on the 2nd.

Little League tryouts are this Saturday at the little league park. 9:30 for 9-10 year olds and 1 p.m. for 11 and 12 year olds. Bring your cap and glove.

On my way,  
Annie Mae

## NEWCOMERS' MEET THURS. MAY 4th

The Antioch Welcome Wagon Newcomers' Club will hold it's monthly meeting Thursday - May 4th at 8:00 p.m. at the Antioch State Bank. The May meeting is being held Thursday instead of Wednesday for the month of May only. We will hold our election of officers for the coming year so, plan to attend the meeting and cast your vote.

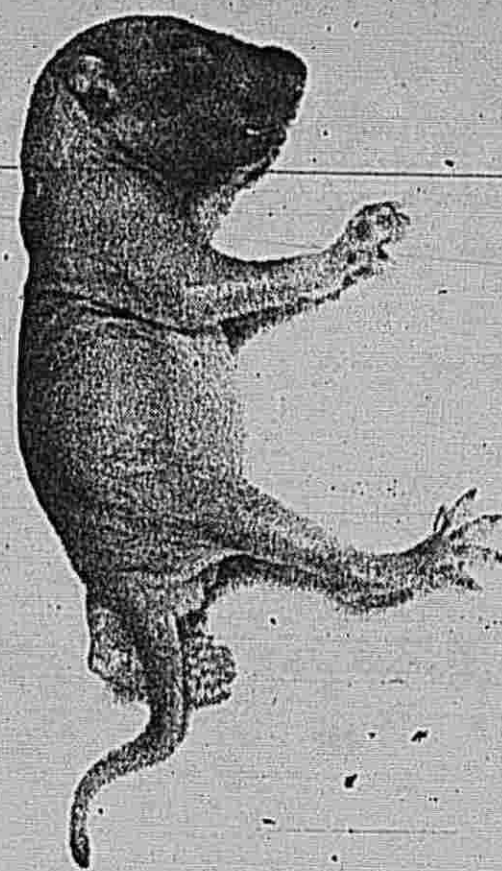

The Newcomers' will hold a bowling party Saturday evening - April 28th - 8:00 p.m. at the Antioch Bowl - Route 173. This will be "Scotch Doubles". The price of the evening will be \$4.50 per couple - which includes bowling and buffet afterwards. Please call Nancy Mancuse for reservations.

## OSCAR

Friday, April 6, a new addition to the Auxier family happened along. It was a squirrel, not an ordinary squirrel, he didn't have a single hair on his whole body. That's right a baby squirrel. Moments later he was named Oscar.

I came upon him while walking through the woods I saw a boy by a tree he said, "Hey Chuck babies." I didn't know what he was talking about so I ran over to him. I didn't know what they were but there were three so I picked up one and the boy picked up the other two I came home as fast as I could.

I showed my Mom, she screamed. I said "Can I raise

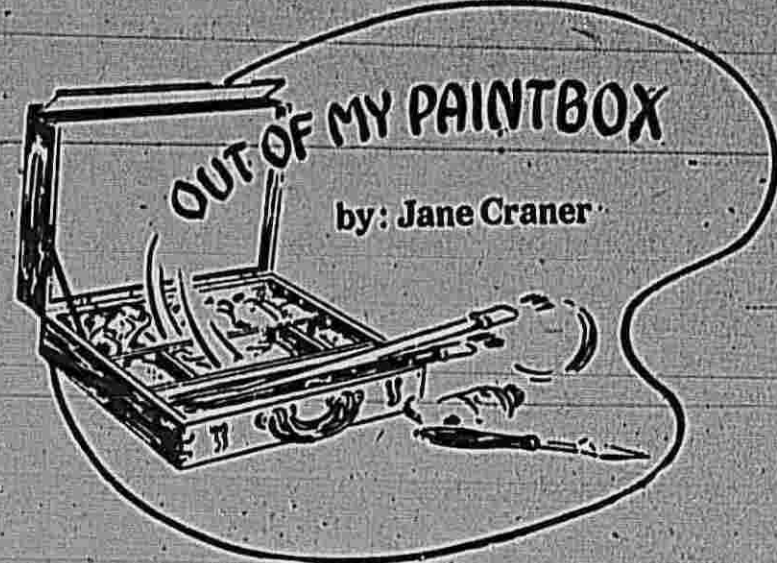

it." My mom said, "What is it." I said, "I don't know." Finally I convinced my mom to let me raise him.

Everything was fine. I fed him baby formula with an eye dropper. Of course, it had to be warmed.

After he was about one week old I woke up one morning before school and fed Oscar. Later I went to school. When I got home my mom said, "Oscar almost died this morning," I said, "What happened."

My mother said, "I went to feed him and he didn't move, so I touched him, he was almost completely black. So I started to rub his heart then he started to move. Now he's all right."

by: Chuck Auxier

## WORKING FROM LIVE MODELS.....

When you have achieved some success in capturing the likeness of a person using photographs try working from live models. In art schools the models are hired to pose and are usually professional models who can pose for long periods of time without moving. You will probably start with friends or members of your family. Their posing ability will vary depending on their willingness to sit for you, and their ability to keep the same pose, and stay awake. A small child is apt to say, "I'm tired sitting still," or "How much longer?" after only posing for a short time. I have found that older persons squirm less and enjoy posing, because sitting is relaxing for them and they know they are helping you.

Start anyone posing for you with ten minute poses, then lengthen the time if they say they can pose longer. Avoid trying to do them if they are tired and falling asleep, for their expression will sag. In order to keep an expression alive you must converse with your model, even purposely make some remark which will create the expression you like best. But be sure you monopolize the conversation, for if they do too much talking, their features will constantly change and their head will bob around too much.

Lighting is very important for achieving a good likeness. A strong spotlight is not only hard on the model, too hot and too bright, but it casts dark shadows that are not pleasing. The light should be somewhat more intense on one side of the face than the other, but a piece of white cardboard placed right will give a reflected light on the

dark side of the face and soften any cast shadows.

The pose is important. It should show off the person in the most becoming manner if you are doing the person for a true likeness. Straight front poses are the hardest to do because the nose does not describe its true shape when seen straight on. Complete profile is not good either for it is too impersonal for the subject to be looking away from the viewer. Any turned view, such as three-quarter or nearly so, is good for it shows the shape of the nose and the eyes are looking out toward the viewer.

When you first start to do portraits from life do just the head and a bit below the shoulders. A full length portrait would take too much time away from the primary task of getting a likeness of the face. Later on as you advance in portraiture you will realize likeness is not confined to the face, that the pose can express the persons personality and that any amount of the body can be shown as long as it is adequate for the expressive quality you are after. The best poses are those which are natural to the subject. I like to have the subject somewhat occupied in their hobby or work. A choral director, for example, would be best shown with his hands posed in their typical gestures and his mouth open as if singing. In this case and others where the subject cannot hold a pose, you might consider taking a photograph of him, then work from both him and the photo. Polaroid cameras are good additions to an artists studio equipment for this reason.

Happy portraits.  
Next Week: THE SELF PORTRAIT

## GRADUATION DATES ANNOUNCED

Baccalaureate Graduation will be held on Saturday, June 2nd, 1973 at 8:00 p.m. Commencement exercises will be held on Sunday, June 3rd, at

4:00 p.m.

The school will end its year on June 5th. Summer school will begin on June 20th and will extend until August 3rd.

## ANTIOCH ROTARY CLUB

Antioch Rotary Club meets every Thursday for lunch at the Brave Bull Restaurant. I would like to name our members who are business people of our area: Carl Abbate, John Bishop, William Brook-Vice President, Randy Bussone-Secretary, Walter Daniels-Treasurer, Owen Druffy, George Gundelach, James Hamlin, Don Holdridge, R. G. Bud Holt, Richard Koenig, Ken Mazzerch, Wally Messner, Bob Motto, Vincent Patla Jr., Irv Pedersen, Tony Starcevic, Michael Sutter, Robert Sven, Ven Thelen, Cliff Vanderwerker, Michael Warren-President, Gene Zan-nini.

Antioch Rotary is a worthwhile Civic Club and we have undertaken many worthwhile community projects. Please feel free to ask any one of the above members that you would be interested to visit one of our meetings, I'm sure that anyone of our members would like to have you as their guest.

When it comes to boats under 35 feet, we cover the waterfront. A low-cost STATE FARM BOATOWNERS POLICY protects boat, motor and trailer on the water or on the road. Call me.

## TOFT'S FINAL SESSION CONTINUED from Page 1

Kufalk said, "No, I won't".

Kufalk was also concerned that a developer would hook into the line he paid for and he didn't think he should have to foot the bill.

He said, "I have lived in Antioch for many, many, many years, anyone can tell you I buy all my appliances from Bob Wilton. I bought my what ya-ma-call-it car in Antioch and all my money stays right here in Antioch. I am not going to pay for anybody else, it is not right for a corporation to come in from the outside and hook in!"

Angelotti then offered an agreeable solution and informed Mr. Kufalk that a "Recapture Ordinance" would be issued and if another party hooks into the line in the future, the present parties would be reimbursed.

Both Mazzuca and Mrs. Thayer were satisfied with such an agreement.

When all was said and done

Mazzuca was issued his building permit, that had been hinged on the letters of credit.

Another unusual problem arose when a letter of request was read concerning the installation of barb wire around a lot in the general area of the Arbor Ltd. Development. The Village Clerk, informed the Board that the present Ordinance on Barb Wire only prohibits barb wire on Main Street.

Board member, Irv Walsh said there are many complications attached to barb wire, for instance, if a child is hurt by the wire then you are liable for the injury.

After some discussion the Board voted unanimously to draw up an ordinance outlawing barb wire anywhere in the Village.

The liquor licenses for the Village were reviewed and renewed. This is an annual proceeding, occurring at the

end of every fiscal year.

The last matter of business was brought up by Village Engineer, Frank Angelotti, who said he had received word that the State and Federal governments had changed their policy on both their approach and their rules for consideration concerning the grant for the sewer expansion. Angelotti said we are now Number 54 on the list, but that does not really mean much. He said that if someone comes in with a greater need they will take a higher place and at the end of the year the list is re-arranged. He also said the rules are so new, they haven't even been published yet.

"We have filed three times now and nothing is the way we were told it was. It is really very disheartening," commented Angelotti.

Some discussion followed on whether or not Antioch should go ahead on their own or not. It

was mentioned that as things are, we may not be in business with the expansion until 1976.

At that time Wilton commented, "I'm not really sure we're going to be interested in 1976."

Village Board member, George Bartlett, concluded the discussion as he expressed his feelings that Antioch should go ahead on their own.

Bartlett said, "It looks like we are being led down the garden path on this grant business. I think it would also be advantageous to us if our feelings were made known as opposing the County Wide Sewer System as Round Lake has come forward and done."

As a private citizen Bartlett said, he opposed the County Wide Sewer System and questioned why Antioch should be forced to join in after they have operated their own plant so efficiently and effectively for so many years.

On that note the meeting

came to an end. Bob Wilton then presented Board members George Bartlett, who has served on the Board since 1969, Vern Barnstable, who has been on the Board since 1965 and Mayor Ray Toft with a plaque on behalf of the Village the Trustees, the Village Engineer, The Village Attorney, the Police and Fire Department, for the services they have rendered over the years.

**NEWS  
DEADLINE  
Monday  
Afternoon**

## PM&L TRYOUTS

Tryouts will be held on Wednesday, April 25 and Thursday, April 26 at 7:30 p.m. at the PM & L Theatre on Main Street for "Paisley Convertible".

The action revolves around a convertible couch and the misunderstandings and suspicions that develop between 2 men and 3 women. Tryouts are open to all.

## ANTIOCH WOMAN'S CLUB MEETS

The regular meeting of the Antioch Woman's Club was held on April 16. Mrs. Jean McIntyre was welcomed into the club as a new member. Mrs. Angie Maras reported that she had won the local, district and state contest with the ensemble which she made. She will now enter the national contest for which the winner will be awarded a trip to Rome. There are still Antioch Woman's Club Cookbooks available and may be purchased for \$3.50. Members have volunteered to help with the registration for the T.B. X-rays when the mobile unit is in Antioch on May 16-17. The closing luncheon will be held at the Colony House on May 7. Members will be advised about reservations.

Mrs. Betty Mentone presented the program-Mr. Arthur Henrickson, a cartoonist-lecturer. With a good sense of humor he portrayed various emotions with just a few strokes of the crayon. By using hands, feet and faces, he could convey an idea without completing the cartoon. He is a very clever cartoonist.

Mrs. Charles Hallett and her committee served.

## "TORK" TALKS

by: Tork Torkelson

### ANTI-POLLUTION ADVANCES

Ford Motor Company is as concerned about automotive pollution as the next civic-minded citizen.

That's because the industry is a means of livelihood for millions of people, and because an industry so vital to the well-being of the country and the world should -- and can -- accommodate to environmental requirements, given time relative to the magnitude of those accommodations.

To understand what progress is being made, it's necessary first to state the problem.

Air pollution in most metropolitan areas comes from a variety of sources. There are industrial smokestacks, incinerators, municipal dumps, jet aircraft, home heating elements, and many others besides vehicles.

**LYONS-RYAN  
FORD MERCURY SALES  
395-3900**

Here is the "intellectual straight man" of the PM & L production, "You're a Good Man, Charlie Brown." Linus, played by Bill Beese ponders his penetrating and provocative book report. (Staff Photo)

## YOU'RE A GOOD MAN CHARLIE BROWN OPENS FRIDAY

Good grief! The closer we get to the opening play date of PM & L's "You're a Good Man, Charlie Brown," the more frantically Linus clings to his security blanket.

Linus and the other irresistible "Peanuts" cartoon characters will come to life at the PM & L Theatre, 877 Main Street in Antioch on April 27 and 28, and May 4, 5, 11, and 12. Curtain time on all of these dates is 8:30 p.m.

Cast members from Antioch include Charlie Brown, played by Bill Serhson; Linus, by Bill Beese; and Snoopy, by Ed Grimes. Also, Peppermint Patti is played by Barbara Tyska of McHenry; Lucy, by Paula Scardino of Round Lake; and Schroeder, by John Cadwell,

Duck Lake, Indigleside. The play is directed by Don Beveroth. The musical director is Betty Beveroth, and the choreographer is Lyn Zaehler. The orchestra is composed of Tracy Teltz, piano; Tanya Millsop, xylophone, celeste, and bells; and David Rush, percussion.

Bill Beese thinks of his character, Linus, as the intellectual straight man of the musical production. He is always eager to tell people what he thinks, much of which is curiously profound. For example, of the entire "Peanuts" gang saddled with the delightful homework assignment of "A Book Report on Peter Rabbit," it is probably Linus who offers the most penetrating thoughts about that provocative work. Moreover, Beese suspects that Linus, despite his celebrated dependence on his security blanket, might well actually be the most secure member of this group of pint-sized cartoon characters.

General admission is \$3.00 for adults and \$1.50 for students. Season subscribers will present season tickets. As seating is limited, you should call 395-9702 for your reservations. "You're A Good Man, Charlie Brown" is great musical fun for the entire family, especially its regular followers of the comic strip.

## 4-H FESTIVAL OPEN TO PUBLIC

The Annual 4-H Share-the-Fun club skit performance will be held Saturday April 28 in the Lake County Farm Bureau Auditorium on Route 45, 1 block north of Route 120. It involves two performances-the afternoon program from 1-4 p.m. and the evening performance from 7:00 p.m. until done. Everyone is welcome to the amateur performances which will include musicals, drama, comedy, dance, and miscellaneous acts. Admission is free.

Highlight of the program is the presentation of blue and participation ribbons and selection of the club and emcee delegates to the Illinois State Fair. Basically the Share-The-Fun strives to give 4-H members and opportunity to have fun in developing an act and entertaining others. It also serves to discover and develop talent in 4-H members and to make 4-H programs more attractive and self-satisfying, according to 4-H Advisor, Bill Messerschmidt.

The Festival is sponsored by the Lake County Cooperative Extension Services University of Illinois.

## WALTER BARNAS ATTENDS DISTRICT MANAGEMENT CONFERENCE

Antioch Postmaster Walter Barnas was one of 400 city delivery postmasters attending a district management conference in Chicago April 13-14.

The two-day session, designed to improve mail service, was of 24 held for postal districts in the 13-state Central Region. It was in conjunction with a Central Region management conference in Chicago where district managers and sectional center managers and postmasters, after workshop sessions, presented specific recommendations for service improvements to Postmaster General E. T.

Klassen, Regional Postmaster General Clarence B. Gels, and their staffs.

District managers returned to conduct meetings for city delivery postmasters, on April 13 and in Chicago Postmaster Barnas heard Regional Postmaster General Gels respond to recommendations by sectional center managers and postmasters on audio from Chicago.

After the broadcast, local postmasters went into working groups to identify current service improvement activities and determine what more needs to be done.

## WOMEN OF THE MOOSE

At the April 19th business meeting of the Antioch Women of the Moose, the charter was draped for our deceased member, Maud Johnson.

Election of new officers will be held on May 3rd. Voting will begin at 7:30 p.m. The slate of nominees is as follows: Senior Regent, June Ballenger; Junior Regent, Dorothy Laursen; Chaplain, Norma Lowe and Marjorie Hartman; Recorder, Judy Page; Treasurer, Judy Cook and Helen Lovell.

This will be a business meeting. NO FORMALS! The Chapter Night Program and Academy of Friendship Ring Ceremony will be on May 17th-formals at THIS meeting.

Birthday marchers of the month were Stephanie Polson and Marie Vos.

Advance dates: May 3rd - Business meeting-A.F. Silent Auction. Friendship members, don't forget your items for the

auction. May 6th: Academy of Friendship Session at Decatur. Those attending to receive their degree will be June Ballenger and Norma Lowe; Judy Page has a part in this ceremony. Those attending the session at Elkhorn, Wisconsin will be Ann Gialds, Stephanie Polson, Jean Wilson and Cheryl Wise. Co-workers attending with the latter list will meet at the Moose Home and leave at 11:30 a.m. All Friendship members are invited to attend either session.

May 8th: Cicero A.F. Ceremony-Judy Page to be guest pianist. May 10th: Mooseheart Com. Scavenger Hunt-starting from Moose Home-7:30 p.m. May 16th: Honorary Dinner for all co-workers in good standing -Moose Home-6:30 p.m.

### LOYAL ORDER OF MOOSE

April 25th: Election of new officers. April 26th: Installation practice, College of Regents to be escorts. 7:30 p.m. April 28th: Installation. Refreshments and dancing to follow. 8 p.m.

## American Legion Auxiliary

At the April 17th meeting of the 10th District American Legion Auxiliary, held at the Lake Regions' American Legion Home, some 150 members and guests were present. Mrs. Everett Ainsworth of Lake Forest, 10th District President, conducted the session.

In the district Americanism essay contest, the three first place winners were Class I, Patrick Flanagan, Lake Forest; Deeppath Junior High School; Class II, Eugene Shuldez; Class III, Carolyn Johnson, both Barrington Township High School students. The students read their essays, and were presented with \$25.00 U.S. Savings Bonds by Mrs. Richard Brown, North Chicago, district Americanism chairman. These essays are now in state competition.

Memorial services were held by Mrs. Logan Kennedy, Baxter Evans Unit, district chaplain, with over 40 candles lit in commemoration of the year's deceased members. A soloist sang several sacred songs. Over three dozen white carnations, an open white Bible on the draped white tablecloth, plus the gold candles in memory of the gold star members, and white candles in memory of the other members, paid a fitting tribute to those who had died.

Mrs. Ralph Fields, Antioch Unit chaplain, participated in the ceremony, since their Unit had lost four members this past year.

In the poppy contests, Mrs. Dawn Smeele, Lake Zurich, received first prize with the prettiest hat; and Mrs. Richard Stastny of Mundelein was first in both the poppy corsage and poppy center-pieces contest. The 10th District Legion officers were the judges.

Mrs. Ray Rathmann, Antioch, 2nd Division President, expressed her pleasure at being a guest of her own district. Mrs. Victor Lello, State President, was unable to attend, due to unforeseen circumstances. Legion guests, Rene Jackson, North Chicago, 2nd Division Commander; and William Franzen, Libertyville District Commander gave short talks. Other district officers present were William Schultz of North Chicago, Senior Vice Commander; and Ed Jahneke, Gurnee Legion, District, Division and Department Assistant Sergeant-at-Arms.

Mrs. Jean Keehn of Libertyville, district national security chairman, reported on the party the 10th District gave for the patients at Great Lakes Naval Training Center Hospital on April 9th. Mrs. Norma Holt, North Chicago; Mrs. Louis Thompson, Waukegan No. 281; Mrs. Ted Odum and Mrs. Ainsworth helped in the

entertainment, and \$150.00 was spent in prizes for games and refreshments.

Some twenty women were presented with their leadership pins on the completion of this leadership training course, by Mrs. S. M. Hayes, Baxter Evans Unit, district chairman.

In the bowling tournament held April 7th at the Libertyville Lanes, Mrs. William Schultz, North Chicago, was first; Mrs. Ray Rathmann, second; Mrs. Hazel Johnson, Gurnee, third; and Mrs. Charles Baumann, Grayslake, fourth place, according to Mrs. Herbert Gleason, Libertyville, chairman.

Mrs. Edward Jahneke, Antioch, 10th District and 2nd Division communications chairman, spoke briefly of the press book competition, and on having their entries and reports in by May 5th.

District veteran's craft chairman, Mrs. Wayne Potter, Mundelein, announced that 10th District has sold \$6,088.00 of veteran made products, with nearly \$3,000.00 credit going to the Lake Zurich Unit.

The 10th District Auxiliary now has 17 of their 22 Units who are 100 percent Units, including the Antioch Unit. Mrs. N. Holt, district membership chairman, stated that 10th District now is 98.89 percent of its goal, and needs only 19 more members to be 100 percent.

In the foreign relations doll dressing contest, Dianna De Vries, Antioch, was first in district competition in her category. Mrs. William Solbery, Zion, was also first with her foreign relations scrapbook, entitled "A Visit to Hong Kong".

On May 6th, the 10th District Illini Girls' State Tea will be held at the Homer Dahringer American Legion Home in Waukegan, from 1:00 to 3:00 p.m. Mrs. Frank Gates, Waukegan No. 281, district girls' state chairman, requests that all unit girl's state chairmen notify her regarding their girl staters. All girl staters, their mothers, and the girl's state chairmen, plus the 10th District Auxiliary officers, are invited guests to this Tea.

The children and youth picnic, held for the children of the Lake County Children's Homes, will start at noon on May 12th. Rain date will be May 13th, to be held at the Lake Regions' American Legion Home. Johnson Motors will provide boats for lake rides.

## New Deductions

Richard and Jill Aiello of Kenosha, (formerly of Antioch) became the proud parents of a baby girl. Elizabeth Ann came into the world weighing 7 lbs. 14 oz. The Aiello's have a son who is 2½ years old, also.

Maternal grandmother is Betty Anderson and paternal grandmother is Mrs. Ann Aiello.

## BAKED HAM DINNER AT MILLBURN CHURCH

A baked ham cafeteria dinner will be served to the public by Millburn Ladies Aid of the Millburn Congregational Church at Noon on Thursday, May 3, in the church dining room.

Mrs. Ed Kidera is chairman assisted by Miss Ruth Minto. A business meeting will be held in the afternoon with Mrs. John Haisma president, presiding.

Program and devotions will be presented by Mrs. Alice Lassen.

## SEQUOIT AUXILIARY V.F.W. ELECTS OFFICERS

On April 18th the Sequoit Auxiliary V.F.W. met and elected the following officers for 1973-74.

Ida Wysoglad, president, Ellen Flint, Sr. Vice President, Myra Randall, Jr. Vice President, Ann Gialds, Chaplain, Florence Merin, Guard, Shirley White, conductress, Oliva Hallwas, Secretary, Lillian Burnette, Treasurer, Laura Swansen, 3-year trustee. The other committee chairman will be appointed by the president in June. A donation was given to local Cancer drive plus to the V.F.W. National and Department Cancer drive. A check was given to Methodist Youth Fellowship to help fill Easter baskets for the Southern Colonies. It was voted that the Auxiliary would participate in the Chamber of Commerce Art and Craft exhibit in July. Poppy Day was granted by the Village Board for May 18th and 19th. Wear a Buddy Poppy and be proud. Refreshments were served by Shirley White. The next regular meeting will be May 14th at 8 p.m.

## OCEANOGRAPHER SPEAKS TO FIFTH GRADERS

Dr. David Paskausky of the Marine Sciences Institute, Connecticut, spoke this week to the fifth grade classes at the Antioch Grade School. Dr. Paskausky's main field is Marine Biology. He is skilled in talking to college students, but this is the first time he had addressed such a young group. It was difficult to tell this was his first attempt, as he did a great job. He spoke to the students about the ocean, and explained to them about such things as tides, radar, and marine biology equipment. His talk was accompanied by a lively slide presentation featuring shots that had been taken in the waters outside of Connecticut and the Gulf of Mexico.

Amid the Easter eggs on the wall and illustrations of the inside eye, Dr. Paskausky brought the ocean to life to the fifth graders.

He told the students how they catch dolphins outside the Gulf

of Mexico, to which all of the students groaned.

Dr. Paskausky said, "Now don't groan. I know all of you are thinking... 'He ate Flipper'". But really Flipper isn't a dolphin, he's a porpoise, and there really is a great difference."

The students seemed to enjoy the talk and they asked many questions. The questions included: "Do you study fish and whales?", "Did you ever get a hole in your boat?", "Has anyone ever fallen in to the water?", "What would happen if you fell in by the propeller?", "Do you do any scuba diving?", and "Is there such a plant as a 'Soy catus kunti?'".

Dr. Paskausky is originally from Waukegan, and had been passing through the area after speaking in Cleveland. He spoke to the students at the request of Principal, Mr. Harland Ware, who is an old friend of the doctor.

## AMERICAN LEGION AUXILIARY UNIT NO. 748

At the recent April meeting of the Antioch American Legion Auxiliary, held in the Antioch American Legion Home, Mrs. John L. Horan, President, was the presiding officer.

It was reported that the Baxter Evans Unit and the Antioch Unit provided refreshments for 200 patients at Downey Hospital.

The Antioch Unit attained its 100 percent in membership at this meeting, according to Mrs. Ray Rathmann, membership chairman, which struck a happy note for all concerned.

On the unhappy side however, was the "Draping the Charter" for Mrs. Anton Johnson, a past president of Antioch Unit. She also served many years as treasurer, and had been a member for over 30 years. Her loss will be keenly felt by her many friends. Also, the Antioch Unit a few days previously, lost one of their charter members - Mrs. George Garland. Mrs. Garland had lived in St. Paul, Minnesota, for many years, but

the Unit and her long-time friends will still miss her deeply.

Mrs. Bernard De Vries, junior activities chairman, said that her two daughters, Colleen and Dianna; Annette Zitkus, and three friends, attended the swimming party, held at the Wayne Potter home in Grayslake for the benefit of the 10th District Juniors.

In the children and youth program, \$5.00 was sent for Harbord Cottage at the Illinois Sailors and Soldiers' Children's School (ISSCS) at Normal, and \$15.00 was sent for the ISSCS spending fund. Money was also sent to the 10th District Children and Youth picnic, to be held, May 5, at the Fox Lake American Legion Home.

The Gold Star party, honoring the Antioch Units Gold Star members will take place on May 2nd, at the Antioch American Legion Home, at 8:00 p.m. The 10th District Auxiliary officers will also be distinguished guests that evening.

## ANTIOCH GRADE SCHOOL BAND

### PLANS CONCERT & BANQUET

The Senior Band will perform in Concert on Sunday, April 29th at 4 p.m. at the Antioch Upper Grade School. The program will consist of favorites which have won the band acclaim both on their Washington Concert Tour and as State Final Position Winners.

Formerly known as the Antioch Grade School Band, the organization has continued under private funding since being cut from the school program during the last year. The band consists of Junior and Senior units, under the direction of George Olisar. There are approximately 90 members.

Everyone in the community is invited to attend the concert.

**ADMISSION IS FREE.**

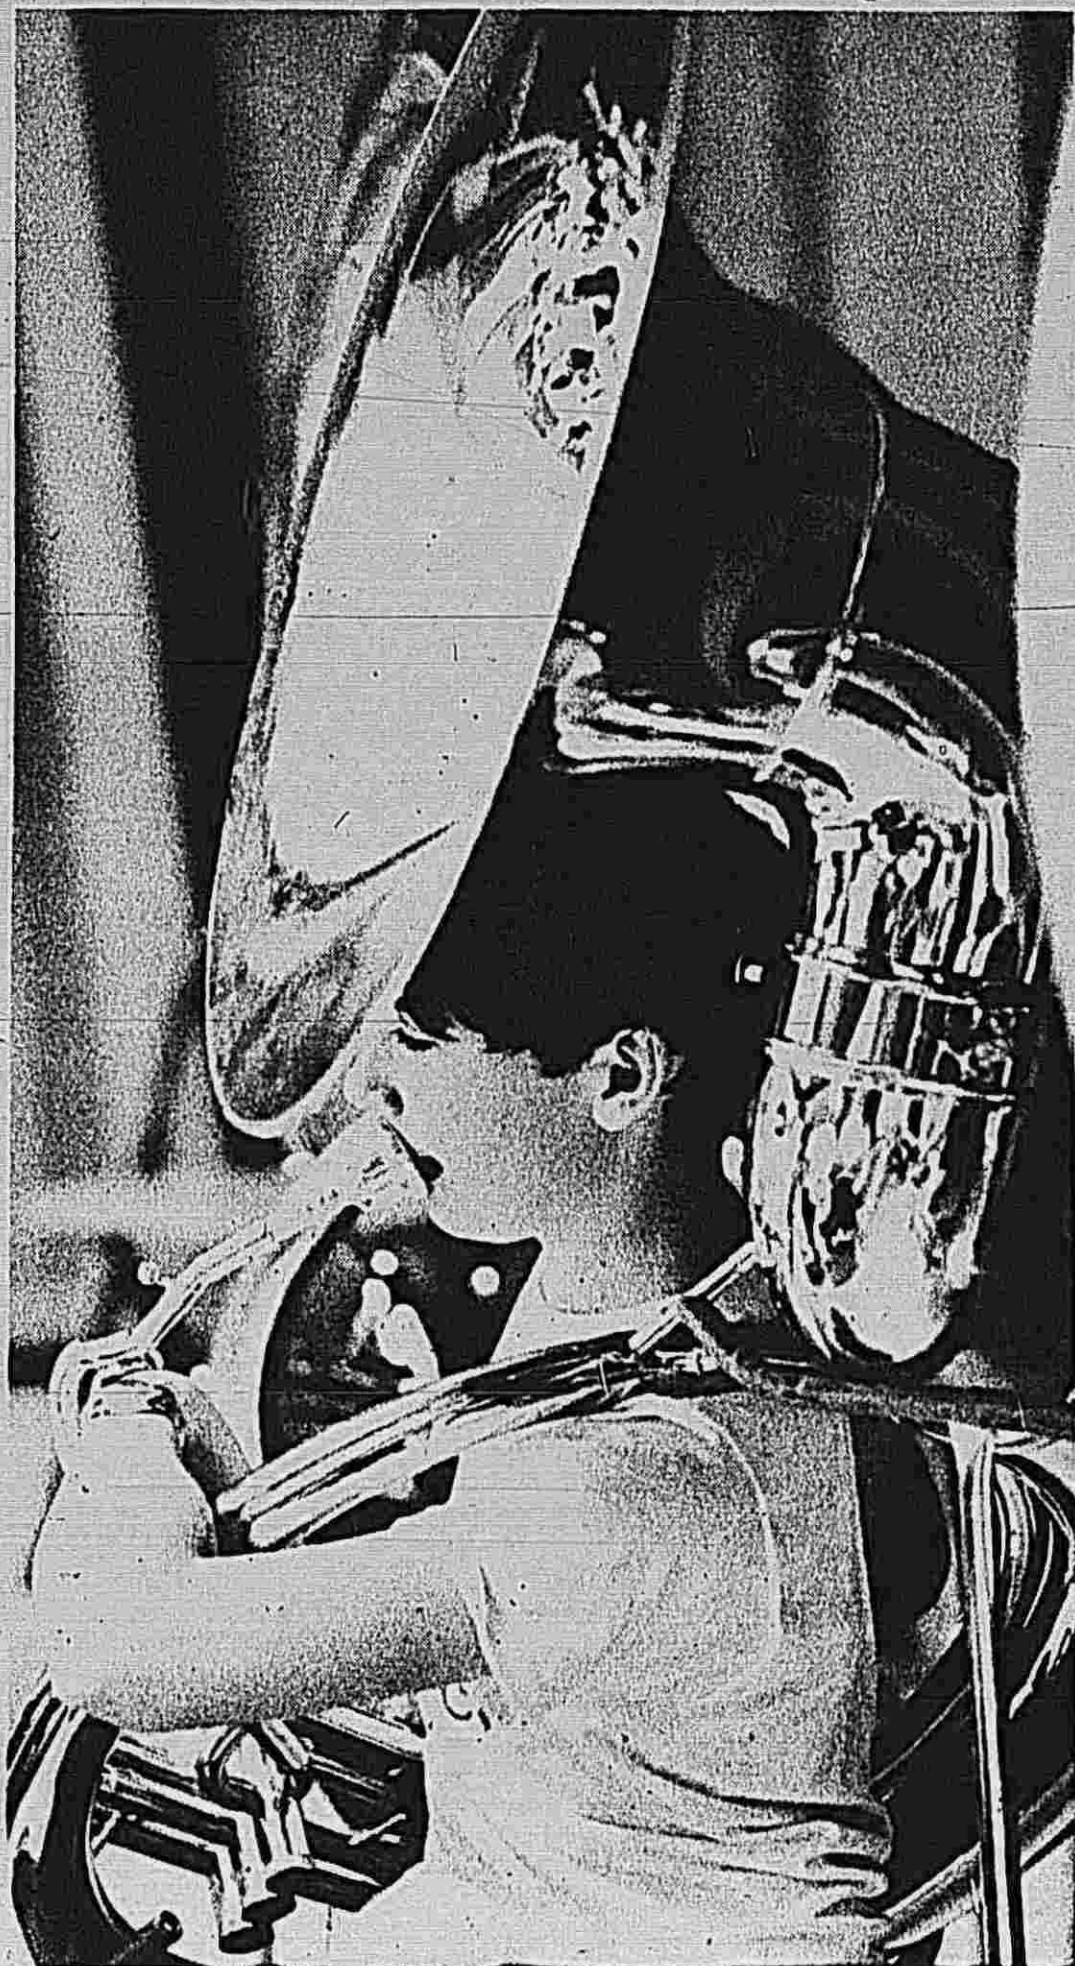

Following the concert, band members and their parents will adjourn to a gala banquet at the Bristol Oaks Country Club on Route 50 in Bristol Wisconsin.

As quite a few members of the

band will be graduating this Spring, it is hoped the community will join in honoring these young musicians and their director, George Olisar, both of whom have brought musical acclaim to the Antioch area.

Members of the Senior Band have been busy practicing for Sunday's concert. Director, George Olisar is shown at the top. Above is part of the woodwind section (from left) Karla Herbst, Brian Kovac, Colleen DeVries, Don VanPatten, Harold Quirk, and Cheri Matteoni. At left, Paul Mapletorpe is wrapped up in playing the sousaphone. (Staff Photo)

#### HELP LITTLE LEAGUE SAVE SCOTT QUALITY SEALS

The Antioch Little League would like all the ladies in Antioch to save the Scott Quality Seals found on Scott Towels, Scott Tissues, Scott Family Napkins, Waldorf Family Scott or Scotties for free bats and balls.

The seals may be deposited at the local schools or at various stores in Antioch until May 25th. For further information call Pat Christensen, 395-2490 or M. Skopek, 395-3806.

FOR THE PRACTICE OF PSYCHIATRY

Jackie Vos and Marilyn Slater were busy making Easter baskets for area needy children. This was the first project of the Jaycettes.

## JAYCETTES MAKE & DISTRIBUTE EASTER BASKETS TO NEEDY CHILDREN

On Monday, April 16th, some of the wives of the Antioch Jaycees started a chapter of their own, called the Antioch Jaycettes. Their main function will be to assist the Jaycees in their various civic activities and to create goodwill in the community. Temporary officers were appointed, and they are as follows: Jackie Vos, President; Marcia Starcevic, Vice President; Sandy Siebert, Secretary; and Rita Jenkins, Treasurer. Their first project was to make and distribute Easter baskets to some of the needy children in the area. The girls didn't have much time, so they really worked hard and by Tuesday night, had 125 baskets made. Then on Thursday, 43 of the baskets were taken to the Central Children's Baptist Home and 50 to Allendale School for Boys. The remaining 32 baskets were distributed to individual needy children. The Jaycettes wish to thank The State Bank of Antioch for their generous donation of candy to fill the baskets and The Ben Franklin store for donating the Easter Basket Grass that made

them look so pretty. They also wish to thank Bill Slater for his much needed help in delivering the baskets. It is unselfishness and co-operation of this sort that makes the Jaycees and the Jaycettes the type of organization that can help Antioch and the surrounding area.

## DR. JOHN T. NEWELL NAMED ASSOCIATE VICE PRESIDENT

Dr. John T. Newell has been named associate vice president for plant operations and planning at Chicago State University, President Milton Byrd has announced.

Newell, of Linden Lane, Antioch, Illinois, joined the CSU staff in 1967 as an associate professor of physiology. He was named director of campus planning in 1967, and continued teaching until 1969.

Newell received his bachelor of science degree from Northwestern University in 1954, his master's from Purdue University in 1956, and his doctorate from Northwestern in 1959.

He is a member of the Society for College and University Planning, the Council of Educational Facility Planners, the American Association for Advancement of Science, the American Institute of Biological Science, the Illinois Society of Microbiologists, and other professional organizations.

Newell, 40, and his wife, Suzanne, have two children, Erika and Erin.

## SEN. BERNING OFFERS BILL FOR MODEL SCHOOL FOR DEAF

State Senator Karl Berning (R-Deerfield) has introduced legislation to create the

Northeastern Illinois Model School for Deaf and Hearing Children at Lincolnshire, Prairie View and Half Day.

## BOARD TO STUDY HOUSE BILL CONCERNING TEACHER HEARINGS

The High School Board received a request this week to consider writing letters of opposition to House Bill No. 32. The Bill amends the School Code and provides that teacher removal or dismissal hearings be held before a disinterested hearing officer appointed and paid for by the Superintendent of Public Instruction. The hearings are presently conducted before the Board of Education.

The Bill was introduced in the House on December 15, 1972, and was filed in part by Rep. Daniel Pierce.

The Board has not taken action at this time and they will give the Bill further consideration.

The school would be a prototype school for educating hearing impaired children in parts of Cook, Lake and McHenry counties. It would be administered by the Lincolnshire-Prairie View School District 103.

According to Berning, the bill authorizes the school to conduct year-round education for hearing impaired children, and those children electing to be educated with them, and to set its own standards, curriculum

and admissions policies.

Any child between the ages of three and twenty-one with an identified hearing loss (or younger if the impairment is identified at an earlier age) could be considered for the school.

The school district would include areas encompassed by Evanston Special Education Districts 65 and 202, Niles Township Special Education District, Maine Township Special Education District, North Suburban Special Education District, Northwest Suburban Special Education Organization, the Special Education District of Lake County, Special Education District of McHenry County and Waukegan Special Education district 60.

## AMERICAN CANCER SOCIETY APPLAUDS WORKERS

The American Cancer Society congratulates several of their Lake County crusade chairmen.

Mrs. Walter Von Stroeser in the Lake Villa area has gone over the goal and total in Residential. Mrs. Warren Chard and Mr. Clarence Collins Chairmen of the Grayslake area

are over their total goals and Mr. Eugene Paemeruri of Park City has gone over the residential goal.

This campaign is really moving ahead and the society wishes to thank everyone for all their dollars and efforts so that this dreaded disease may be licked.

## THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

### Heating water without waste.

A leaky faucet can do more than keep you awake nights. It can cost you money. Drop by drop, 650 gallons can go down the drain in a year. If it's hot water, each drop adds to your water-heating expense.

You can fix many leaky faucets yourself. If it's leaking from the

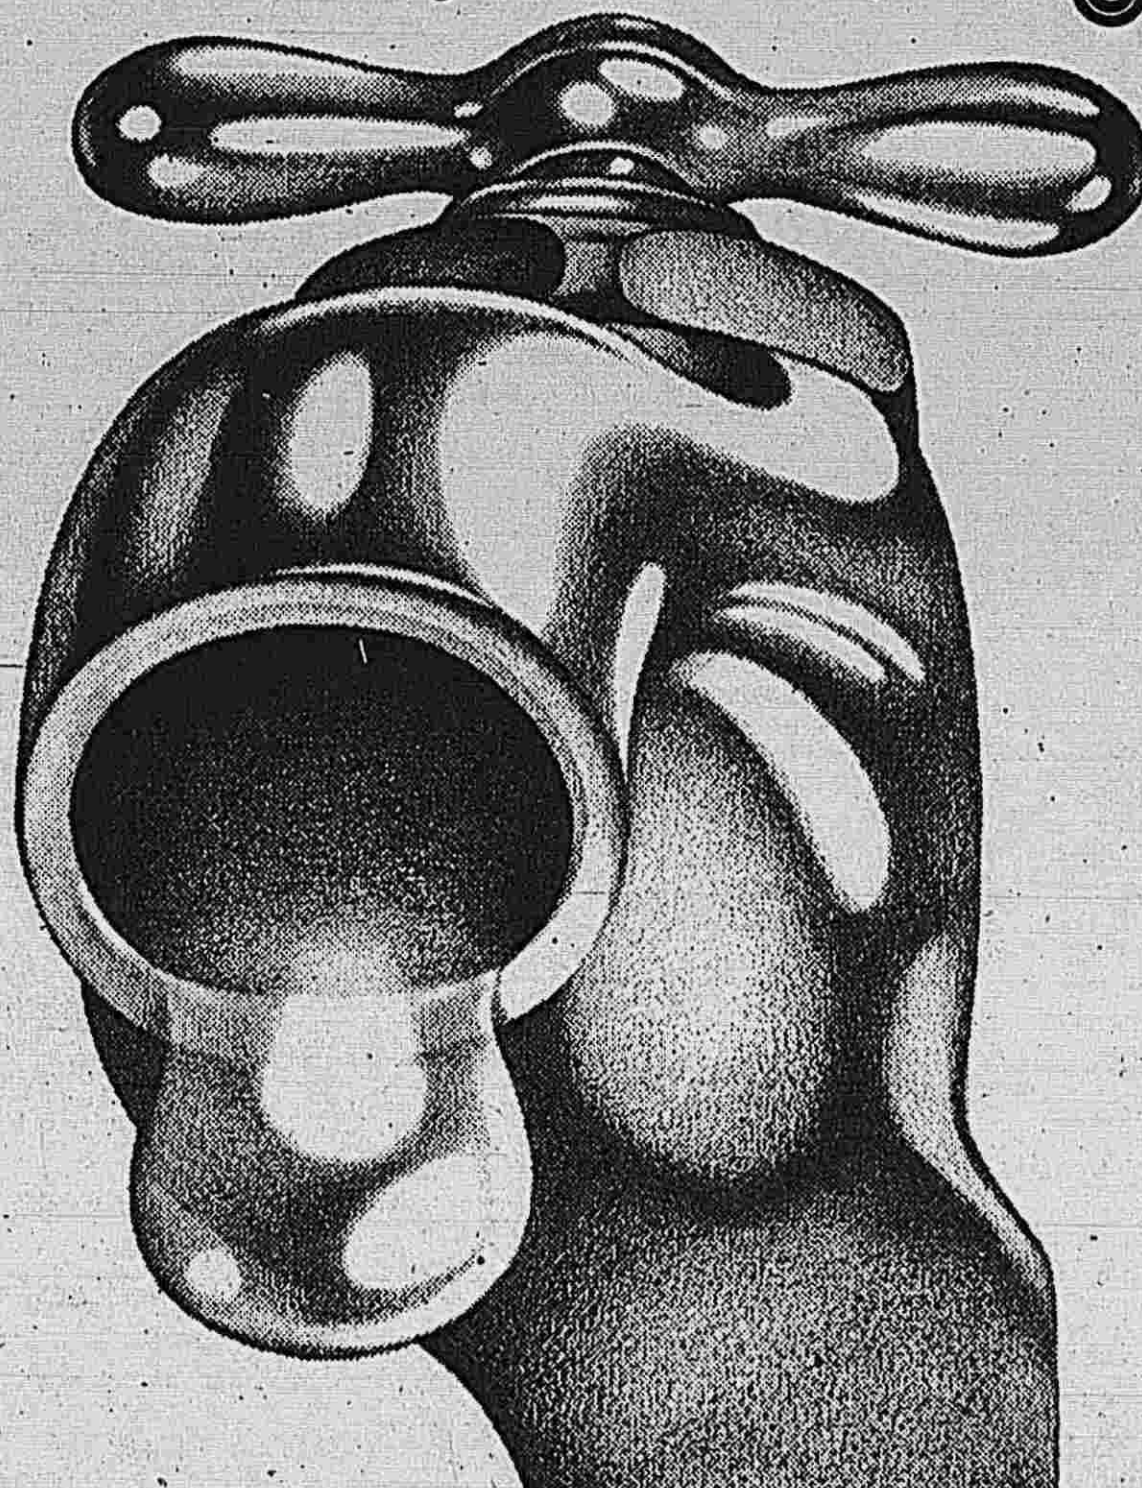

spout, the problem is often a faulty washer that can be replaced. A few minutes and a little work can save you more than sleep.

Also, you can cut back on hot water. In your automatic washer, for example, permanent press items need only warm water.

And lightly soiled clothes can sometimes be cleaned on a cold-water setting.

Water heating is just one place where you can eliminate wasted energy. We've compiled hints on this and other areas into our booklet "101 Ways to Conserve Electricity at Home." For your free copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

concern for your total environment

# Obituaries

**MRS. LILLIAN M. MCGOWAN**, nee Box, 68, of 919 Ringwood Rd., Pistakee Highlands, McHenry died Tuesday, April 17 at Condell Memorial Hospital, Libertyville.

She was born in Greenfield, Tennessee, on June 3, 1904 and was a resident of Pistakee Highlands for the past 14 years. She lived with her son James for the past 8 months in Antioch, Illinois. She was a former resident of Chicago.

Survivors are 3 sons James (Sandra) McGowan, Antioch, Paul (Betty) of Chicago, William (Margaret) of Pistakee Highlands; 10 grandchildren; 8 great grandchildren and 6 step-grandchildren. She was preceded in death by a sister Lorraine Cooke and her husband, Homer B. McGowan in 1963.

Funeral services were held on Friday from the K.K. Hamsher Funeral Home in Fox Lake. The Rev. Howard Olson officiated. Interment was in Irving Park Cemetery, Chicago.

**MR. LESTER "DICK" FELD-CAMP** 70 years old of Salem, Wisconsin passed away on Monday April 23 at his home. He was born May 25, 1902 in Salem, and lived in Kenosha County all of his life. He married Edna Kaphengst on March 25, 1921 in Waukegan. He was preceded in death by a son George Feldkamp on May 2, 1959 and 1 daughter Mrs. Helen Vernezzie on June 15, 1967.

Survivors are his wife Edna, 1 daughter Mrs. DeLores Bloomer (Kenosha Wisc.) 1 brother Arthur, 6 grandchildren and 4 great grandchildren.

Funeral services will be at 1:30 p.m. on Wednesday at the Strang Funeral Home in Antioch. Rev. Ray Kotwicki of the Salem Methodist Church will officiate. Interment will be in Salem Mound Cemetery near Silver Lake, Wis.

**IVA M. BRUSH** 71 years old of Antioch Illinois passed away on April 16 at Victory Memorial Hospital, Waukegan. She was born in Tennessee on January 30, 1902 and lived with her daughter and son-in-law Mrs. Rudolph (Genevive) Wagner of Bridgewood Drive, Antioch.

Survivors are her daughter, son-in-law and 2 grandchildren.

Private services were held in the Barr Funeral Home Chapel on Tuesday, April 17. Graveside services were held at the Elmlawn Cemetery, Elmhurst, Illinois.

## Christian Science Churches

Paul proved that Life is real and death an illusion when he healed the young man who fell from the third loft, and was taken up dead, as was recorded in Acts 20. This is described in the Lesson-Sermon entitled "Probation after Death" and will be read at Christian Science church services Sunday.

Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy read "If man is never to overcome death, why do the Scriptures say, 'The last enemy that shall be destroyed is death'?"

Everyone is invited to attend services at the First church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

**LARRY SHAFFER**, 20 of 657 Plum Tree Rd., Antioch passed away on April 22nd as a result of a one car auto accident on Grass Lake Road. He was born on December 6, 1952 in Chicago, Illinois.

He graduated from Antioch Community High School in 1970 where he excelled in sports and was voted the best athlete for wrestling. He joined the U.S. Air Force and was honorably discharged in December of 1972.

Survivors are his parents, Lester and Betty Shaffer, 9 brothers and sisters - Mrs. Richard (Bonnie) Paneralli of McHenry, Robert Bode Shaffer, Bonnie Lee, Clifford Bode, Stephen, Gerald Scott, Leslie, Tracy Ann, Lester, Jr.; paternal grandmother, Mrs. Isabelle Rawson.

Funeral services were held on Tuesday at the Barr Funeral Chapel in Antioch. Father Vincent Fish, pastor of the church of the Holy Family officiated. Interment was in Hillside Cemetery, Antioch.

**MR. JOHN W. MOSER** - 22 years old of Antioch, passed away on Saturday, April 21st from injuries received in an automobile accident on Hwy 83 in the Village of Antioch. He was born August 19, 1950 in Waukegan, Illinois and had lived in Antioch all of his life. He is a member of St. Peter Catholic Church. He graduated from Carmel High School in 1968, and served in the U.S. Army in Viet Nam from 1968 until Sept. 28, 1971. He was an apprentice Iron Worker, and a member of the Structural Iron Workers Union Local No. 1 in Chicago.

Survivors are his parents Frank J. Jr., and Freya Moser, 1 brother Frank R. Moser, 2 sisters, Christine and Michelle and his paternal grandparents Mr. and Mrs. Frank J. Moser, Sr., (Hales Corners, Wisc.)

A funeral mass was held on Monday at 11:00 a.m. at St. Peter Church in Antioch. Interment was in Mt. Carmel Cemetery in Antioch.

## AMA LAUDS ST. THERESE TRAINING PROGRAM

The Council on Medical Education of the American Medical Association has approved continuation for the next five years of the educational program for medical technologists at St. Therese Hospital, Waukegan.

The program, for ten students is done in collaboration with the American Society of Clinical Pathologists and the American Society for Medical Technology.

The AMA praised St. Therese for its work to date, indicating in a letter that "students were

**EDWARD FORBRICK** 80 years old of 1008 Victoria Street, Antioch passed away on April 22 at Victory Memorial Hospital, Waukegan after long illness. He was born on August 31, 1892 in Chicago and was a long-time resident of Antioch. He was the founder and owner of Forbrick's Pharmacy at 65th and Wentworth in Chicago.

Survivors include his wife, Cecelia, 2 brothers, Walter of Antioch and Lewis R. of Pittsburgh Penn. 1 sister Emily of Hillside, Illinois. He was preceded in death by 1 son Edward and a brother, Charles.

A Requiem Mass was held at 10:00 p.m. at St. Peter Church in Antioch. Father Johnson of that church officiated. Interment was in the family lot in St. Mary's Cemetery in Evergreen Park, Illinois.

**MRS. SIGNE E. CLEMENTS** 81 years old of Salem, Wisconsin passed away on Sunday, April 22nd at Kenosha Memorial Hospital. She was born January 24, 1892 in Superior Wisconsin and moved to Chicago in 1921, then to Salem 25 years ago. She is a member of the Twin Lakes Senior Citizens club. She married Harry Clements on April 1925 in Chicago and he passed away in 1941. 2 brothers Carl and George Bergstrom also preceded her in death.

Survivors are 2 sisters, Mrs. Elina Slagle (Oconomowoc, Wis.) and Mrs. Bertha Day (Detroit Mich.) and nieces and nephews.

Funeral services will be held on Wednesday at 10:30 a.m. at the Strang Funeral Home in Antioch. Rev. Ray Kotwicki of the Salem Methodist Church will officiate. Interment will be in Liberty Cemetery near Trevor, Wisc.

## "Hindsight's Better Than Foresight"

**Rev. Eugene Kousal**

As you enter the village of Antioch on Main Street from the south you immediately know that this is a Christian Community. This is rightly so since it was in Antioch that the followers of Jesus were first called Christians (Acts, Chap. 11 v. 26). Looking straight ahead down the middle of Main Street your eyes fall on a church that at first appears to be in the middle of the street because of a bend in the road. The Antioch United Methodist Church with its steeple tells anyone who enters here that those who are "known for the love they have for one another" live here in Antioch.

With its steeple pointing up to the heavens, like the pointed finger of the Jesus People, the Methodist Church tells all who enter here that Our God is the invisible One that St. Paul speaks of in Acts, Chapter 17, vs. 22-31, the unknown God, who became visible, took on a human nature and was called Emmanuel, God with us.

This Emmanuel, Jesus the Christ, wanted man to know more about Himself. He especially wanted us to know of His feelings for us, His love for us. So He underwent the Passion and Death by Crucifixion. He also wanted us to know His power and He did this by conquering death and rising from the dead that first Easter morn.

## BITS AND PIECES

By: Taffy Engelhardt

Everyone is enjoying their Easter vacation! School is in session again on Monday. The junior girls who took a trip to Spain and Africa are back. They stayed about a week. They missed a week of school and get back just in time for Easter vacation - good timing!

Thursday was the big day for elections of next year's class officers, Student Council officers and Student Council representatives. They are:

**COUNCIL OFFICERS:** President Bill Beese; Vice President, Wendell Burris; Secretary, Kim Schillinger; Treasurer, Ginny Skrzynecki.

**SENIOR CLASS OFFICERS:** President, Blair Fire; Vice President, Tom Robinson; Secretary, Laura Kessler; Treasurer, Kathie Mahoney; Representatives: Fran Colette, Marcia Doolittle, Tim O'Neill.

**JUNIOR CLASS OFFICERS:** President, Marla Kessler; Vice President, Jody Patrovsky; Secretary, Janet Gallimore; Treasurer, Ronny Jackson; Representatives: Kim Kovach, Kim Vasek, Larry Lloyd, Gary Thompson.

**SOPHOMORE CLASS OFFICERS:** President, Robin Hunley; Vice President, Jim Grippando; Secretary, Mel Smith; Treasurer, Nancy Halverson; Representatives: Kim Fischer, Kathy Shkapich, Rich Coles, Dave Lagerstrom.

Congratulations! I was really happy to see such a large turn-out at the polls. It was much larger than previous years. At student polls, we have rosters with each class list and the names are checked off as the student votes. This can be done during the student's lunch hour. There are also several booths available for those who wish to cast their ballot in privacy. After voting, the ballots are put in ballot boxes. The votes were counted by non-partisan Student Council members. This is a much bigger job than you would imagine. After 6th hour, the newly elected officers and representatives were announced. Everything went smoothly and we were especially glad to see so many students voted. As I said before, it was a very large number. Again, congratulations!

The first Annual color Guard Banquet was held on Thursday, April 12, in the high school commons. Dinner was served buffet style. Each girl was responsible for preparing and bringing some specialty from home. Old and new Color Guard members were present along with their parents. Mr. and Mrs. Polley were in attendance also. The sponsors, Mrs. Helen Lagerstrom and Mrs. Rita Kroepelin arranged to have roses presented to old and new members. A very pleasant surprise to accompany the

## SEQUOIT HAPPENINGS

awards! This year's officers then proudly announced their replacements. Congratulations go to the 73-74 Captain - Barb Dodd, the Sergeant of Arms - Laura Kessler, and the Secretary, Kim Vasek. As a token of appreciation to our sponsors, Mrs. Lagerstrom received a gold locket and Mrs. Kroepelin, a pearl pin. The girls then presented the Captain, Wendy Stout, with a beautiful necklace. The parents, as well as the girls, had a very enjoyable evening.

## TODD E. BEHNE

Airman Todd E. Behne, son of Mr. and Mrs. Edward P. Behne of 516 Northgate Road, Lindenhurst, Illinois, has graduated at Goodfellow AFB, Texas, from the U.S. Air Force communications analysis specialist course.

The airman was trained to operate communications systems and analyze procedures necessary to determine the effectiveness of communications-security measures. He is being assigned to Ft. George G. Meade, Maryland, for duty with a unit of the U.S. Air Force Security Service.

Airman Behne is a 1972 graduate of Antioch High School.

TOWN & COUNTRY  
ART SHOW WINNERS

Area winners of the Lake County Town and Country Amateur Art Show held at the Farm Bureau on March 29 and 30 are:

Adult Division-Blue Ribbon Winners.

Casey, Lake Villa, Oil-"Coal Miners Life Saver"; Ms. Shirley Grego, Antioch, Acrylic-"Autumn Cornfield" and "Weathered Tree Stump"; Ms. Rose Ludford, Oil-"Beth", "Rural Antioch" and "Summers Loves"; Ms. Jeanette Pachay, Antioch, Oil-"Christ"; Ms. Lorrinda Spiedel, Lindenhurst, Oil-"Paul"; Mrs. Pat Tanner, Lindenhurst, Metal Enameling; Ms. Jackie Unmack, Lake Villa, Watercolor, Pencil, Watercolor; Mrs. Ginnie Wieber, Lindenhurst, Carving-"Rooster Lamp".

Blue Ribbon Winners-High School

John Ludford, Lake Villa, Photo-"Gerbil"

## DANIEL C. BRINK

Navy Aviation Structural Mechanic Airman Daniel C. Brink, son of Mr. and Mrs. Reuben H. Brink of Lindenhurst, Illinois, has reported to Training Squadron 28 here.

KEN KANE AND JAY RAU  
VISIT ROCKFORD  
COLLEGE

Kenneth Kane, son of Kenneth and Norma Kane of Lindenhurst and Jay Rau, son of Ron and Jane Rau of Antioch were among several prospective college students who visited Rockford (Ill.) College over the weekend beginning Thursday, April 12.

The College had invited the students in order to have them meet members of the faculty, attend classes and tour the new \$27 million campus of the 125 year old school.

Rockford College is a private, coeducational liberal arts college founded in 1847. Ten years ago, the college moved to a new 304-acre campus of gently-rolling, partially wooded land at the eastern edge of the city.

## HIGHWAY NOTICE

The Commissioner of Highways of the Town of Antioch County of Lake, State of Illinois, hereby gives notice that upon the 9th day of May A.D. 1973, at the hour of 2:00 o'clock p.m. of said day, at the Intersection of Second Street and State Route 173 in California Ice and Coal Company Subdivision he will hold a public hearing at which he will consider reasons for or against the proposed Incorporation into the Township Road System of the roads described as follows:

The following streets in California Ice and Coal Company Subdivision:

First Avenue  
Second Avenue  
Third Avenue  
Fourth Avenue  
Fifth Avenue  
Sixth Avenue  
Seventh Avenue

at which time and place he will determine upon the advisability of such proposed Incorporation into the Township Road System and publicly announce his final decision relative thereto.

Dated this 19th day of April A.D. 1973.

Blaine Ring

Commissioner of Highways  
April 25, 1973

AREA STUDENTS  
ON SOUTHERN  
UNIVERSITY  
DEAN'S LIST

Slightly more than 23 percent of the Southern Illinois University-Carbondale undergraduate population has been cited for superior academic achievement during the winter quarter. The University's winter term Deans' List includes 3,986 students who achieved 4.25 grade averages on a 5.0 scale, while taking at least 12 hours of course work.

The students are: Steven R. Strang, P.O. Box 15, Antioch; Emilie D. Babcox, 19054 Oak Court, Lake Villa; Margaret Gruszczycki, 1711 Cherrywood, Lindenhurst; and Theodore Gruszczycki, 1707 E. Hickory Court, Lindenhurst.

GARY S. SWANSON

Navy Seaman Recruit Gary S. Swanson, son of Mr. and Mrs. Axel E. Swanson of Route 3, Lake Villa, Illinois graduated from recruit training at the Naval Training Center, here.

TAU BETA PI  
INITIATES JIM CARLSON

Gellersen Center.

Jim Carlson, son of Mr. and Mrs. James Carlson, 533 Winsor Drive, Antioch, Illinois, a senior in civil engineering was among seven Valparaiso University engineering students initiated into Tau Beta Pi, the national engineering honor society on Sunday April 1 at the University

Tau Beta Pi was founded at Lehigh University in 1885 to offer appropriate recognition for superior scholarship and exemplary character as students, or by their professional attainments as alumni, and to help foster a spirit of liberal culture in engineering colleges.

JOHN F. WEISS CHEVROLET & OLDSMOBILE, INC. ANTIOCH, ILLINOIS 312-395-3600

(Week of April 27-May 3)

**ARIES** (March 21-April 20): Break away from routine this weekend. A good time for an evening on the town or entertainment involving a favorite person. Tact on your part can avert family misunderstandings later in week. Best days: Monday, Tuesday.

**TACRUS** (April 21-May 20): A time to concentrate on work, any unfinished projects you've been neglecting. Effort now will pay dividends later. Superiors may notice your talents. Creative projects hold the key to financial gains. Best days: Sunday, Wednesday.

**GEMINI** (May 21-June 21): Health could cause concern unless you budget your time to assure proper rest. Some travel indicated. Be especially cautious if driving. People will prove helpful, possibly through a chance encounter. Best days: Friday, Monday.

**CANCER** (June 22-July 21): Solar signs favorable for civic, public activities. Demonstrate your ability by volunteering for a task you can easily accomplish. Favorable period for romance. Best days: Monday, Thursday.

**LEO** (July 22-Aug. 22): Weekend well aspected for recreation, outdoor activities. There may be an opportunity to do a favor for a friend or elderly relative. Don't pass it up because of your own plans. Single persons born under your sign should accept social invitations this week. Best days: Saturday, Wednesday.

**VIRGO** (Aug. 23-Sept. 22): Excellent period for a shopping trip, brief journey to visit relatives in a new outfit. Your charm and sense of humor brighten your social circle. Work or school projects will go well if you apply your talents. Best day: Thursday.

**LIBRA** (Sept. 23-Oct. 22): A disquieting weekend that could involve family spats, misunderstandings. Tend to financial matters or you could be a loser. First three days of May mark an active period socially. You can impress others with your wit, intelligence. Best days: Tuesday, Thursday.

**SCORPIO** (Oct. 23-Nov. 22): Concentrate on business, school projects. Your solar signs indicate interesting developments on the romantic scene, someone special could come into your life during this period. Take care with finances. Best days: Sunday, Wednesday.

**SAGITTARIUS** (Nov. 23-Dec. 21): Career signs are good during last few days of April. If you've been thinking of asking for a raise or new responsibilities, now is the time to approach superiors. They should be in receptive mood. Best days: Saturday, Monday.

**CAPRICORN** (Dec. 22-Jan. 20): Problems involving family life may occupy your attention first part of week. Be understanding and things will work out for the best. Work may seem routine, but you can accomplish a great deal with a positive attitude. Best day: Friday.

**AQUARIUS** (Jan. 21-Feb. 18): Personal life sparkles. Romantic signs are favorable and career aspects indicate prospect of new job opportunity. Be kind to an elderly relative who may be going through a troubled period. Your perfectionist attitude at work brings recognition. Best days: Tuesday, Wednesday.

**PISCES** (Feb. 19-March 20): Avoid situations that could involve you in someone else's affairs. Your views could be misunderstood. A good time to devote to personal improvement. A new hair style or spring outfit can boost morale. Best days: Saturday, Wednesday.

Today's a bad

day to cook.

## With a Stern Eye

The winds of change—or, depending on where you live—the smog of the status quo, have blown (or hung stagnant) over Lake County in the form of Elections in the various villages and cities on April 17th. Our office, which has not technical authority at all over municipal elections, was nonetheless a wildly busy place that Tuesday.

My day began at 7 a.m. with the intrusive clanging of the telephone at my bedside. I do not ordinarily get up until 7:26. Therefore 7 a.m. is much like 3 a.m. to me. I was sound asleep.

Such a jovial voice. "Grace? Are you awake?" I should've known. It was Norm Geary sounding just as though he were asking a rational question. After a momentary pang of compassionate concern for his wife (how could anyone live with a man who asked a demented question like that in a rational voice?) I answered that I certainly wasn't. The old gag about "Don't worry. I had to get up to answer the phone anyway didn't occur to me in time.

Norm wanted me to get someone to the County Clerk's office in the next five minutes to give some Avon Township precinct lists to a Grayslake squad car which would arrive shortly. We didn't work it out within the next five minutes, but I was able to get Becky Day, our girl Friday in the Election Department, there by 7:30. Talk about above and beyond...

Later in the day when Mr. Geary was at our counter filing his statement of Economic Interests, he suggested that our office should be open on every Election Day starting at 6 a.m.—even those over which we have no jurisdiction. I snorted. But as a matter of fact he's right and we shall probably do it in the future. Our phone rang all day long (and probably that included 6 a.m. to 9 a.m. when there was no one but the spiders to answer) with questions from Election Judges. "Is so-and-so registered to vote?" "Does a challenged voter require the signature of another person in the precinct?" "How far away from the polls can they electioneer? There's this car, see, and it's driving up and down the street in front—"

Because the municipal elections do not use our binders—those big black loose leaf books that contain a signed registration card on each registered voter in a given precinct—Voter's Registration does not close. Anyone who has lived in his (her) precinct for thirty days, who is a citizen of at least eighteen years, can register right up to and including the day of Election. For the first time, we tried to safeguard the process by giving to each newly registered voter from April 5th on, a slip of paper identifying the registrar and the registrant. If the voter's I.D. card did not arrive in the mail in time for the election on the 17th, he could

carry that slip into the polls, present it to the Election Judges, and proceed to vote.

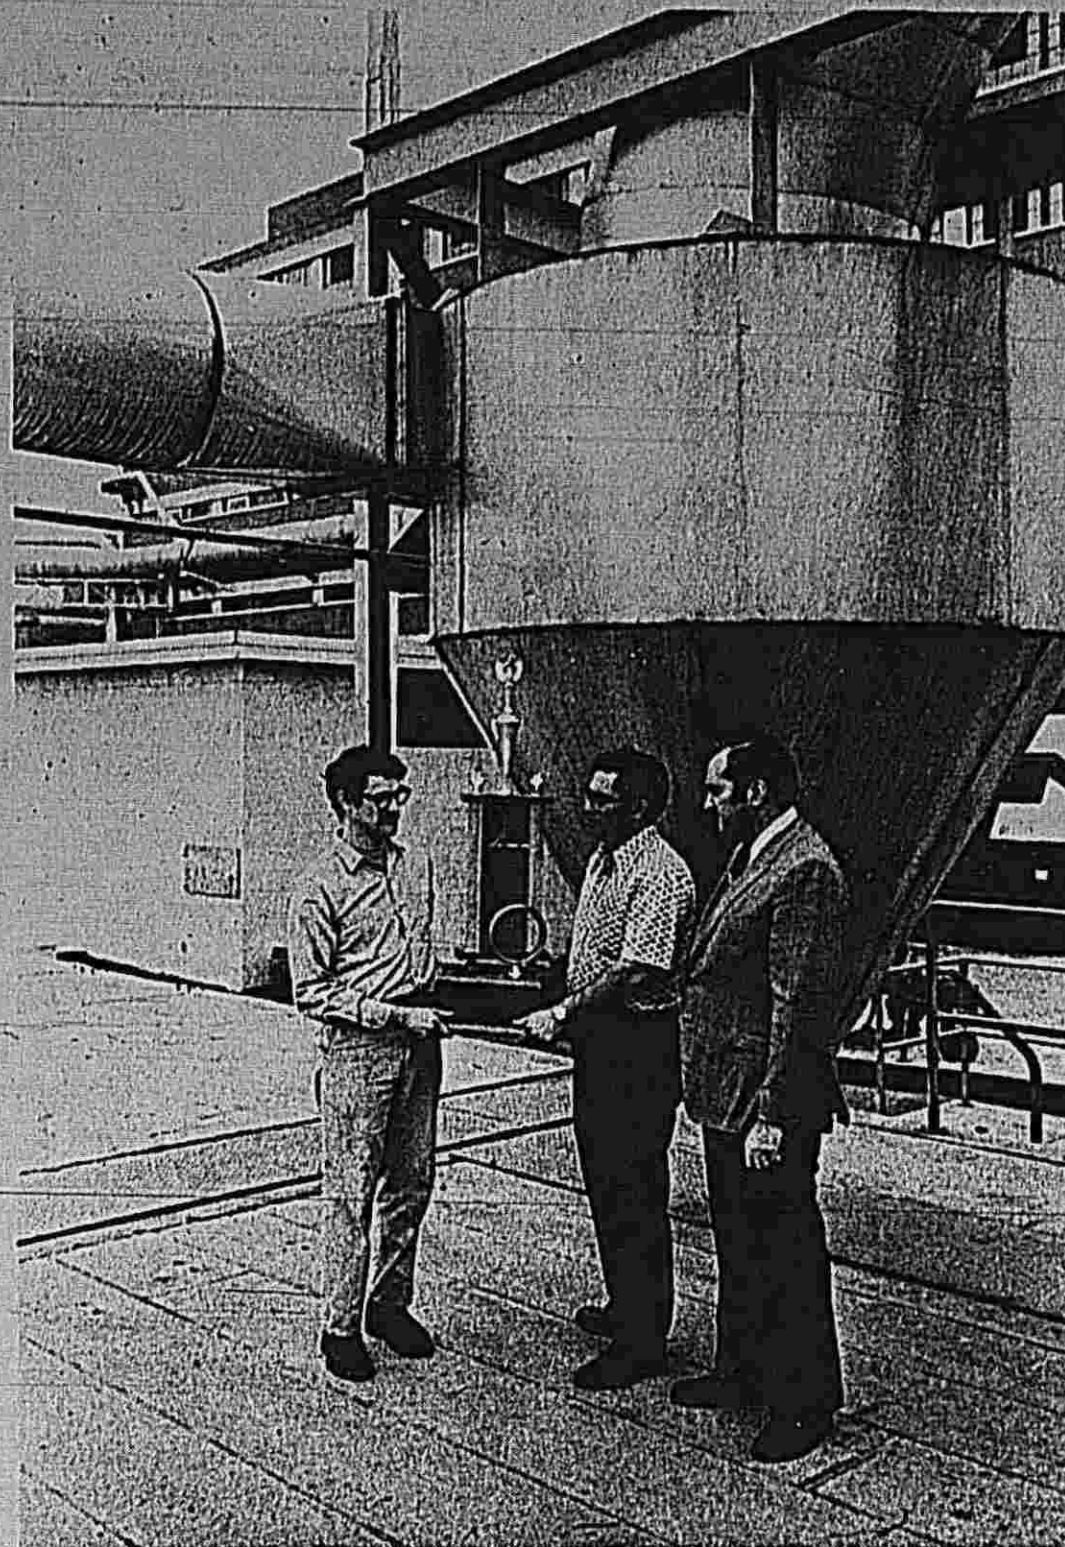

For those of us accustomed to the Vote-o-Matic machines and the punch card ballot, a paper-ballot election is a step back into the Dark Ages. "But I don't understand why you can't count a ballot with check marks instead of X's; the intention of the voter is perfectly clear." The old bugbear! Later on, Tuesday evening, I encountered a woman who said she had been a judge for 20 years or so, and at this election for the first time, her Precinct (Waukegan 53) had not a single spoiled ballot. She confided in a hoarse whisper, that she had spent the entire day instructing each voter NOT to 'check' in the box—MAKE AN X! But it was a triumph. Not a spoiled ballot in better than 500 cast.

There was an occasional ruckus in some farflung polling place and at one point near noon, Sheriff Clavey called: "Gracie? I've got this call to go down to Novak School. Do you want to come along?"

"Thanks Pat, but no. This is not my election. Why don't you check with the City Clerk. May be he'd like to meet you there."

"Fine, Hon. It's my job, you know, to go when called, wherever it is. We have to get on top of this Election Fraud business—got to nip this stuff in the butt! Right, Gracie?"

Right Pat.

Abbott waste treatment employees display the trophy given to the company by the IEPA for its outstanding pollution control program. (l to r) Ron Schoos, waste treatment operator; Mike Schmidt, chief operator; Dave Schwarz, director of environmental control.

## ABBOTT RECEIVES INDUSTRIAL WASTE TREATMENT AWARD FOR 1972

The Illinois Environmental Protection Agency (IEPA) has presented Abbott Laboratories with the agency's Industrial Waste Treatment Award for 1972, it was announced recently.

"The award is recognition for having an outstanding pollution control program," said Ernest Bennett, of the agency. He stressed that, in addition to waste treatment, all aspects of pollution control were considered in making the selection.

Six companies in the state were nominated as outstanding by IEPA field personnel. The winner was chosen after each of the nominees had been inspected by members of the agency's selection committee.

"We're very honored to receive this tribute, which comes after a great deal of effort and improved technology," said Dave Schwarz, Abbott's director of environmental control.

The company completed a multimillion-dollar expansion of its treatment facilities in late 1971, which boosted its pollution control to among the most efficient in the United States. Since then, it has continued to upgrade its pollution and odor control systems.

## LEGAL

### NOTICE TO BIDDERS

#### SEQUIOIT APARTMENTS SANITARY SEWER EXTENSION

STATE ROUTE 83  
ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 874 Main Street, until the 21st day of May, 1973, at 8 p.m., Central Standard Time, for the construction of sanitary sewer improvements, at which time and place the bids will be publicly opened and read. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done is as follows:

#### Contract No. 1

Construct approximately 675 lineal feet of 8" internal diameter sanitary sewer main including 5 manholes:

Construct approximately 60 lineal feet of 6" internal diameter sanitary sewer services including and required bends;

Construct approximately 40 lineal feet of 16" steel sleeve under State Route 83 and connect to existing manhole and; necessary surface restoration and incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois, 60005.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. Bid Bonds or other substitutes will not be acceptable. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within ten (10) calendar days after date of written notice to proceed, and all work shall be completed within forty-five (45) calendar days after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the Village of Antioch, Illinois.

## The Antioch News SPORTS

### PRE-EASTER SHOWERS CANCEL GENEVA STOCKS

Pre-Easter rain showers on Saturday April 21 caused the first race cancellation of the 1973 Season at the Lake Geneva Raceway. If the race had been run, it would have been the first race for many new cars ready to make the start. On hand was Johnny Reimer, Caladonia with the Marescalco super-modified. He was the 1972 IRA Lake Geneva Champion but last year drove for Freddie Neilsen of Lake Villa, Illinois. This year that car is being driven by Whitey Harris.

Both Reimer and Harris have some catching up to do to overtake the impressive win streak of Roger Otto, Burlington. He has won not only both features for this class but also the heat races.

Jerry Straube and Les

Peterson have accounted for the Sportsman stock car wins and in the races next Saturday night, they will be hard pressed to stay ahead of Paul Craddock, Round Lake, Illinois driver who has been impressive in time trials only so far.

The Lake Geneva Raceway will continue with the four classes of cars each Saturday night with a healthy increase in numbers indicated for the Sportsman Jr. Class and the P.J. Stocks.

Gates open at 6:00 p.m. with time trials at 7:00 and the first race at 8:00 p.m. The track is located one mile south of Lake Geneva, off Old Route 12, on Bloomfield Road. Fans may call 414-248-3312 for weather information anytime Saturday.

### COUNTY ZONING NOTICE No. 2324

#### STATE OF ILLINOIS COUNTY OF LAKE

TO WHOM IT MAY CONCERN  
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on May 10, 1973 at 1:30 p.m., in the Antioch Village Hall, Antioch, Illinois relative to a proposal to vary the terms of the Lake County Zoning Ordinance or to reclassify by amendment thereto, from the Conditional Use Permit in the Suburban Residential (SR) Zone.

The following described real

estate, to-wit:

Described as follows: The West one (1) acre of the South two (2) acres of the West ten (10) acres of the East forty (40) acres of the South half (S 1/2) of the Southeast quarter (SE 1/4) of Section 19, Township 46 North Range 10 east of the Third Principal Meridian, in Lake County, Illinois.

As a result of the petition of MAURICE BOWN & HALLIE BOWN, his wife, COMMON-WEALTH EDISON, CO., CONTRACT PURCHASER which petition is on file and available for examination in the office of the Lake County Zoning Board of Appeals, County Administration Building, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING  
BOARD OF APPEALS

ELZA GWALTNEY  
Chairman

Dated at Waukegan, Illinois, this 25th day of April, 1973.

#### WED. NITE BUSINESS MENS APRIL 18, 1973

High Team Series: Lou's Log Cabin 906-898-904 - 2708

High Individual Scorer: Joe Poliakon 182-223-224 - 629

Lou's Log Cabin 2, Bill's Texaco 1; Schenning Insurance Co. 3, Gibbs & Jenssen 0; Bob's Carpet Cleaning 2, Camp Lake TV 1; Kross Inn 3, Van Pattens 0; Lasco's 2, Active Specialty 1; 1st National Bank 3, A & B Printing 0.

Lou's Log Cabin won League Title by one game.

## WILMOT OPENING DELAYED

The much awaited opening of the New one-third mile Kenosha County Speedway in Wilmot, Wisconsin will not be ready for the earlier announced date of Saturday May 5. How much of delay not even can be determined until the track and area is dry enough to again move in the heavy equipment necessary to raise the two towering infield light poles; gravel trucks and heavy grading equipment.

The race track is complete except for final grading. The area has been completely fenced; the concrete wall is ready and the wheel protection fence is in place. Rest rooms are ready and all other facilities are set for the opening but the wet grounds, caused mostly from the record April snowstorm recently, have made it impossible for planned operations for the past three weeks.

Interstates Racing Associa-

tion members met recently at the Lake Villa VFW Hall and were advised of the delay in the opening. This now means that the Official 1973 IRA Sanctioned season will get under way on Friday May 11 at the Santa Fe Speedway in Willow Springs, Illinois.

This race will be on the half mile track and will be the first time that drivers Whitey Harris; Roger Otto; Ron Bergsma; Ron Marish and others will be competing against 1971 and 1972 Champion Johnny Reimer in his new car built by Randy Marescalco of Kenosha. Reimer drove for Fred Nielsen, Lake Villa previously but now Harris is back in that car. He drove for Nielsen in 1970 when Reimer temporarily retired.

Car inspection dates have been announced at Wilmot for Sunday April 29 and Saturday May 5 at 1:00 p.m. Fans may come and photograph their favorite drivers and talk about the new season. The IRA Fan Club will have members on hand too to take memberships which will entitle members to attend all but the Wilmot races at reduced admission rates.

1973 will be the sixth season for IRA with 50 or more dates scheduled at Lake Geneva Raceway starting Sunday May 20; Wilmot; Rockford Speedway; Grundy Speedway and Capital Speedway in addition to the Santa Fe Speedway.

### WAUKEGAN

### SPEEDWAY RAINED OUT LAST WEEK END

The rainy weather cancelled Waukegan Speedway racing this past Easter weekend. This Saturday night there will be late model sportsman and hobby racing with time trials beginning at 7:15 and racing at 8 p.m.

Beginning on Saturday, May 5 there will be late model sportsman racing and on Sunday, May 6 the late model super stocks will take over the track. Again - time trials at 7:15 with races at 8 p.m.

Waukegan Speedway is located 1/4 mile east of Rte 41 on Washington Street, Waukegan, Illinois.

## SEQUOITS WIN TWO ON THE DIAMOND

### ANTIOCH VS LAKE FOREST 4-17-73

On April 17, the Sequoits beat Lake Forest 7-1. Fred Popp helped his own cause by batting in five of the six RBI's. The other RBI came by a double from the catcher, Steve Vazquez, in the first inning. Tim Mieure walked, stole second base, and Vazquez doubled him in. In the third inning the Sophomore third baseman Frank Pleviak, tripled to center. Tim Mieure followed again with a walk and stole second base. Fred Popp then singled them home. In the fourth inning, Tom Pocrnich got on first base on a fielder's choice and stole second and third base. One out later, Frank Pleviak walked and stole second. Tim Mieure was then put on base by an intentional walk. Then Fred Popp doubled the three of them home. In the fifth, Rick Sedar, the right fielder, walked, stole second, and went to third on a single by the first baseman, Mark Maras. Sedar then scored on a wild pitch.

Fred Popp pitched an excellent game striking out 15 and walking only 3. The only mistake he made was pitching a gopher ball to Daniels in the second. The Sequoits looked like a completely different team since the game at Grant. Fred Popp played one of the best games we'll probably see all year: he couldn't do anything wrong.

### ANTIOCH VS ROUND LAKE 4-19-73

On April 19, Antioch beat Round Lake at Antioch 5-1. Antioch's defense won the game. Three diving catches, on by Rick Sedar to end the sixth inning, one by Frank Pleviak, the third baseman, and one by Fred Popp, the center fielder, with the bases loaded to end the game.

In the first inning, Frank Pleviak led off with a triple. Second baseman Tim Mieure followed with a sacrifice fly ball to score him. In the third inning, pitcher Glen Amundsen led off with a walk. Frank Pleviak doubled and advanced him to third. Then Tim Mieure went to second base on an error by the center fielder, scoring Amundsen and advancing Pleviak to third. Rick Sedar followed with, according to coach Bill Seemann, the most important hit in the game. It was a single to center field scoring Pleviak and Mieure. In the sixth inning, Rick Sedar again led off with a single and stole second. Mark Maras, the first baseman, hit a deep fly ball to the left fielder, who dropped

### REMEMBER LARRY SHAFFER:

Leading through quiet example  
Always on the go  
His dedication as a team member  
His parents in the stands always lending their support  
Respecting his opponents; outwrestling them but never embarrassing them  
Always willing to help the younger guys  
An experienced wrestler, but only a beginner in life.

The Antioch Wrestling coaches..

it, scoring Sedar.

Glen Amundsen pitched a good game, and was backed up by an excellent defense. A Round Lake player remarked that he didn't believe how "lucky" the Sequoits fielding was.

### 3rd ANNUAL ANTIOCH NOVICE FREESTYLE TOURNAMENT at Antioch High School April 28, 1973

Open to ALL freshman, sophomore, and junior high school wrestlers.

Weigh in is from 8-10 Saturday  
Matches begin at 11:00 am  
Entry fee 50 cents

USWF Card is \$2.00 and good for all spring and summer tournaments.

### TRYOUTS FOR LITTLE LEAGUE

Tryouts for Little League will be held on Saturday, April 28, at the Little League diamond. All boys ages 9 thru 12 who are registered but not already on a Little League team are eligible.

Tryouts will be conducted from 9:30 a.m. to 12:00 noon for boys ages 9-10 and from 1:00-3:00 p.m. for 11 and 12 year olds. Boys should bring a glove and cap.

Every effort should be made to attend tryouts so all boys get an equal chance to qualify.

Tryout date for Babe Ruth League, ages 13-15, will be announced later.

## SWIM RECORDS TOPPLE

Two Antioch swimmers helped to break fifteen swim records in the Bi-Annual Waukegan YMCA Record Breaker. Johnny Schmidt and Judy Houghton were among eleven swimmers who set new records. Johnny broke the 40 yard fly record at 29.5 and tied with teammate Greg Shepard, both breaking the 40 yard free record at 24.8. That was just one of three records for Greg as he also set records in the 80 yard individual medley at 1:04.1 and 40 yard breast stroke at 32.7. Judy broke one record, the 40 yard backstroke at 32.0 and tied another, the 40 yard breast stroke at 34.9. Johnny, Greg and Judy all swim in the Midget division for 9 and 10 year olds.

Other Midget record breakers were John Hund in the 40 yard backstroke at 29.8 and Ted Ryzek who broke the 40 yard breast stroke record but finished second to Greg in setting a new record. In the Cadet division for 8 and unders, Mark Shepard broke a record that had stood for eight years when he swam the 20 yard breast stroke in 16.2.

For the older swimmers, the three Cramond sisters each broke a record: Teri set the 100 yard breast stroke record at 1:23.5, Judy set the 200 yard freestyle at 2:33.6, and both she and sister April broke the old 100 yard freestyle record, with April setting the new record at 1:06.3. Dave Berry, fourth in state competition, reset his own 100 yard backstroke record at 1:03.5. Shane Bailey set the 200

yard freestyle at 2:17.8 for 13 and 14 year olds.

A number of other Antioch swimmers participated in the meet and placed, without setting records.

For the Cadets (8 and under), George Bessette placed first in 20 yard free, second in 20 yard back, and third in 40 yard free. Craig White finished first in 20 yard back, and second in both 20 yard free and 40 yard free. Carl Amundsen was third in 20 yard back and fourth in 40 yard free. Leslie Gallagher placed first in 20 yard breast and tied for first in 20 yard back, and was second in 20 yard free.

For the Midgets (9 and 10), John Schmidt, in addition to his record finishes, was first in 100 yard free. Theodore Bessette was second in both the 80 yard IM and the 100 yard free and placed third in 40 yard fly. Teddy White was second in both 40 yard free and 40 yard fly and placed third in the 80 yard IM. In addition to her record finishes, Judy Houghton finished first in the 80 yard IM. Beth Mueller placed third in both 40 yard free and 100 yard free.

For the Preps (11 and 12), Jack Fields placed second in the 80 yard IM and third in the 40 yard free. Chuck Auxier finished second in 40 yard fly and fourth in the 80 yard IM. Steve Haley was third in the 40 yard breast and fourth in 40 yard free. Jenny Schmidt placed first in both 40 yard free and 40 yard fly and was second in 40 yard breast. Margaret Bessette finished first in 40 yard breast, second in 40 yard back, and fourth in 40 yard free.

For the Juniors (13 and 14), Frank Bessette placed second in 200 yard free and third in both 100 yard free and 100 yard breast. Lynda Fields finished second in both the 100 yard free and 100 yard back. Mary St. Pierre placed second in both 100 yard free and 100 yard back and was third in 40 yard free.

Over 90 boys and girls took part in this last meet of the season for the Waukegan YMCA swim team and the Antioch swimmers look ahead to the summer competition at the Antioch Aqua Center.
